It is expressly agreed that upon such notification, or if the Publisher becomes aware of such a claim from other sources, the Publisher may remove such work(s) from the Licensed Material. Failure to report knowledge of any actual or threatened claim by any third party shall be deemed a material breach of this Licence Agreement.
- 10.6 Nothing in this Licence Agreement shall make the Licensee liable for breach of the terms of this Licence Agreement by any Authorised Institution or Authorised User provided that the Licensee did not cause, knowingly assist or condone the continuation of such breach after becoming aware of an actual breach having occurred.
- 10.7 In circumstances where Licensee suffers loss or damage arising out of or in connection with the use or performance of the Licensed Materials, Publisher accepts no liability for this loss or damage whether due to inaccuracy, error, omission or any other cause and whether on the part of us or our servants, agents or any other person or entity.

- 11.2 If either party to this Licence Agreement is prevented from or delayed in performing any of its obligations under this Licence Agreement by Force Majeure and if such party gives a written notice thereof to the other party specifying the matters constituting Force Majeure together with such evidence as it reasonably can give and specifying the period for which it is estimated that such prevention or delay will continue, then the party in question shall be excused the performance or the punctual performance as the case may be as from the date of such notice for so long as such cause of prevention or delay shall continue.

12. ASSIGNMENT

- 12.1 Save as permitted under this Licence Agreement, neither this Licence Agreement nor any of the rights under it may be assigned by either party without obtaining the prior written consent of the other party, and such consent shall not unreasonably be withheld or delayed. In any permitted assignment, the assignor shall procure and ensure that the assignee shall assume all rights and obligations of the assignor under this Licence Agreement and agrees to be bound to all the terms of this Licence Agreement.

15. GENERAL

- 15.1 This Licence Agreement and its Schedule constitute the entire agreement between the parties relating to the Licenced Material and supersede all prior communications, understandings and agreements (whether written or oral) relating to its subject matter and may not be amended or modified except by agreement of both parties in writing. The parties acknowledge that any amendments to this Agreement shall be subject to the requirements set forth in Article 89 of the Law on Public Procurement of the Republic of Lithuania.
- 15.1.1 The modifications to this License Agreement and to the Schedules thereof may not exceed 10 % of the initial value of the License Agreement and may not be substantial.
- 15.1.2 The modification of the License Agreement during its term shall be considered to be substantial within the meaning of clause 15.1.1, where it renders the Licence Agreement materially different in character from the one initially concluded. In any event, the modification shall be considered to be substantial where one or more of the following conditions are met:
- 15.1.2.1 the modification introduces new conditions which, had they been part of the initial procurement procedure, would have allowed for the admission of other candidates than those initially selected or for the acceptance of a tender other than that originally accepted or would have attracted additional participants in the procurement procedure;
- 15.1.2.2 the modification changes the economic balance of the License Agreement in favour of the Publisher in a manner which was not provided for in the initial Licence Agreement;
- 15.1.2.3 the modification extends the scope of the License Agreement considerably;
- 15.1.2.4 where a new contractor replaces the one to which the Consortium had initially awarded the contract in other cases than stated in this License Agreement or because of reorganization, restructuring, winding up or bankruptcy procedure or transfer of rights to another publisher.
- 15.2 The Schedule shall have the same force and effect as if expressly set in the body of this Licence Agreement and any reference to this Licence Agreement shall include the Schedule.
- 15.3 No provision in this Licence Agreement is intended to be enforceable by a person who is not a party to this Licence Agreement

- 15.4 The invalidity or unenforceability of any provision of this Licence Agreement shall not affect the continuation in force of the remainder of this Licence Agreement.
- 15.5 The rights of the parties arising under this Licence Agreement shall not be waived except in writing. Any waiver of any of a party's rights under this Licence Agreement or of any breach of this Licence Agreement by the other party shall not be construed as a waiver of any other rights or of any other or further breach. Failure by either party to exercise or enforce any rights conferred upon it by this Licence Agreement shall not be deemed to be a waiver of any such rights or operate so as to bar the exercise or enforcement thereof at any subsequent time or times.
- 15.6 This Licence Agreement and its Schedule are made in two copies all of them having equal legal force and effect, one copy for each party.
- 15.7 The Publisher shall undertake to the Licensee to inform the latter about changes in the sub-suppliers names, contact information and their representatives throughout the entire period of performing the Licence Agreement as well as about new sub-suppliers whom he intends to invoke at a later date. If the requirements on the absence of the grounds for eliminating the Supplier or the Suppliers' qualification requirements were applied to the sub-supplier, together with the information about new sub-suppliers the documents confirming the absence of the grounds for eliminating the sub-supplier shall be submitted.

The Publisher shall use, store or otherwise process any personal information which relates to and/or identifies the Licensee and/or the Authorised Users (including, but not limited to, names and addresses) only to the extent reasonably necessary for the Publisher, its partners, successors (including the purchaser of the whole or part of its business), associates, sub-contractors or other third parties to make available and/or to provide the Licensed Materials to the Licensee and/or to the Authorised Users and only for the time of the provision of services.
