To whom it may concern,

DAVID Systems GmbH informs that TVC, Siauliai, Lithuania is our sole partner in the territory of Lithuania for the current project at LRT (in terms of system provisioning, installation and support).

TVC is hereby authorized to provide the involved technical information, training and local support in close cooperation with our technical team.

TVC is hereby exclusively entitled to provide installation, setup and training in terms of the DAVID Systems applications, audio editors (SingleTrack, EasyTrack, MultiTrack) and the Broadcast Server System.

We have not granted this right to any other party for the territory of Lithuania.
Any former confirmations stating differently are void.

This confirmation can be revoked at any time and replaces any former one.

With kind regards

DAVID Systems GmbH
