Authorisation Letter – Distribution of Zytomed Systems GmbH by Inbio OÜ in Estonia, Latvia and Lithuania

This is to certify that the Estonian company

**Inbio OÜ
Akadeemia tee 15
Tallinn 12618
ESTONIA**

has the right to sell products of the German company Zytomed Systems GmbH, producing CE-marked reagents for IVD (in vitro diagnostics) as well as reagents for RUO (research use only), within the territory of Estonia, Latvia and Lithuania. Inbio OÜ is the duly authorized distributor of Zytomed Systems in this territory in the year 2015.

Inbio OÜ is authorised to represent Zytomed Systems GmbH in public tenders. Zytomed Systems fully supports Inbio OÜ in selling the products and in customer care.

This Authorisation Letter will remain valid for 2015 unless otherwise specified in a future authorisation.
