

AGREEMENT No. AISBL-LIC-2022/03/24

March 24, 2022

European Clusters Alliance AISBL, with its registered office at Rue Belliard 40, 1000 Bruxelles, Belgium, (hereinafter referred to as "AISBL"), company code 0751557681, represented by Antonio Novo, authorized to individually represent the Company in line with Articles of organization,

Public institution Lithuanian Innovation Centre, with its registered office at Mokslininku str. 6A Vilnius, Lithuania, (hereinafter referred to as "LIC"), company code 110066875, represented by Mantas Vilyis, authorized to individually represent the Company in line with Articles of organization,

all hereafter collectively referred to as the Parties and separately the Party.

Following good will and the principles of justice and fairness, we agreed and entered into this Agreement (hereafter - Agreement).

THE PARTIES AGREE:

1. Purpose of the Agreement

1.1. Under this Agreement the Parties agree that:

1.1.1. LIC connects to the AISBL network, that is a bottom-up initiative that gathers 15 National Cluster Associations and several European international cluster networks representing more than 800 clusters, where 134,000 of our most innovative businesses collaborate with thousands of universities, research centers and public institutions to boost their competitiveness.

1.1.2. LIC operate in AISBL as part of the Lithuanian cluster network.

1.2. The operating conditions of the LIC are governed by the Articles of AISBL (Annex 1).

2. Force Majeure

2.1. If the Parties prove that the non-performance or improper performance of any responsibilities under this Agreement is caused by Force Majeure, state actions or actions not within the reasonable control of the Party (hereafter - Force Majeure), neither Party shall be held accountable for such breach of the Agreement.

2.2. Each Party shall not later than within 14 (fourteen) calendar days notify in writing the other Party of the commencement of Force Majeure and shall discuss suspension terms or termination of this Agreement.

2.3. In Force Majeure circumstances the Parties shall be relieved from responsibility for non-performance of the Service Agreement.

3. Confidentiality

3.1. Each Party shall undertake to protect all the information received in connection to this Agreement and to keep it confidential. Each Party shall be liable for the disclosure of the confidential information according to the laws, except the cases of the obligatory disclosure as provided in

the laws of the Republic of Belgium and except information disclosed to the Client Disclosure of confidential information by the Party to any third party is possible only subject to the prior written consent of the other Party.

4. **Annex 1**

4.1. Articles of AISBL

This Agreement has been concluded in English language by 2 (two) counterparts. Each Party shall receive one copy of the Agreement original. All texts of the agreement are authentic and have equal legal power.
