CONSENT OF THE SUBCONTRACTOR

2022-04-28 Nr. 1

Tallinn

I, [REDACTED] - Head of the Calibration Laboratory, agree that the laboratory "Taatuslabor WEGA OÜ", which I represent, would be a subcontractor of the Lithuanian Energy Institute for the procurement of metrological verification services of heat metering devices No. 597320, which is carried out by the joint - stock company "Kauno Energija" by means of a simplified open tender during the entire term of the Contract.

Head of the laboratory
