#### Business Reference Letter

I hereby certify that UAB Connecto Lietuva (Mokslininkų str.39-2, LT-12187 Vilnius, Lithuania) has been working February 2019 – June 2020 at 330/110 kV Harku - Lihula- Sindi reconstruction project in Estonia, project value 2,5 mln. Eur. UAB Connecto Lietuva was doing conductor stringing works, OPGW stringing works, partly tower assembly works.

Works by this above mentioned Company were carried out in high quality and on time. I would not hesitate to retain their services again and to recommend UAB Connecto Lietuva to any company seeking the best and reliable services.

Please feel free to contact me if you have additional questions.
