

MSDS EXEMPTION LETTER

Product Item Number: **112-12-001**

Product Name: **iWASH, for iSED, ESR Analyzer (4 pack)**

Dear Customer,

It is our policy to provide Material Safety Data Sheets (MSDS) for any ALCOR Scientific Inc. products that are classified as hazardous materials.

The product(s) listed above do not contain hazardous substances at or above national or international regulatory thresholds that would require an MSDS. Under normal conditions of use these products would not expose the user to a chemical hazard as defined by such regulations.

We recommend that you file this letter with your MSDS records for documentation purposes.

Thank you for your continued support of ALCOR Scientific Inc. products.

Sincerely,
Alcor Scientific Inc.
