

# Responsible Business Performance

**Our approach to economic performance has always been inclusive as to our motto “Growing together”.**

**THE ECONOMIC VALUE WE GENERATE AND DISTRIBUTE FINDS SEVERAL CHANNELS FOR EQUITABLE GROWTH.**

We are a responsible Company, which creates:

- economic value for our ecosystem
- considerable social value through employee care
- indirect economic benefits through CSR
- environmental value through resource conservation and innovation,

Thus, we create sustainable value across three bottom lines. Our market presence is that of a Global Company with a local reach as well.
