

AUTHORIZED DISTRIBUTOR

Systemec GmbH is specialised in the production and sales of laboratory autoclaves, media preparators and dispensing devices. Our products are produced to meet the newest technological standards and our quality management system is certified according to ISO 9001:2008.

Our environmental management system is also certified to ISO 14001:2004.

Systemec GmbH hereby certifies that:

Linea Libera
Vilnius, Lithuania

is an authorized distributor of Systemec GmbH in Lithuania.

Mr. Marekas Žebolovičius from Linea Libera has received the appropriate service training on our products as well as sufficient applicational education on general steam sterilization technology and service and therefore is authorized (and trained) to do both the maintenance and repair of Systemec autoclaves.

Linden, January 1st, 2022

.....
Jörg Winkelmann
General Manager

Certificate is valid until June 30th, 2023.
