DECLARATION LETTER

To whom it may concern,

We, at Cordis declare that all medical devices produced at Cordis facilities are RoHS Compliant which means that less or no dangerous chemicals, toxic and environmentally harmful substances are used to produce the product and/or packaging. Cordis products are designed and manufactured in such a way as to reduce as far as possible the risks posed by substances or particles, including wear debris, degradation products and processing residues, that may be released from the product. Cordis has implemented a procedure for assessing Cordis products for regulated substances and documenting compliance to applicable Global Regulated Substance and Material of Concern regulations.

Sincerely yours,
