To: Kédainiai district municipal administration

Subject: Confirmation of specifications of technical requirement, purchase no. 4968512:
„ULTRAGARSO APARATAS“

We, **Philips Medical Systems Nederland B.V.** a well-established manufacturer and supplier of medical equipment, having its registered office at Veenpluis 6, 5684PC Best, The Netherlands ("**Philips**"), hereby confirm that the ultrasound system: „**Affiniti 70**“ fulfills all tender requirements, including the below described technical parameters:

- T6** **6. Specialized program for ultra-low flow micro vessels with a frame rate of 60 frames per second and a minimum blood flow detection limit of 0.3 cm/s (MFI);**
- T7** **7. Software that automatically analyzes loops of elastography frames and selects frames for measurement in a 2D shear wave elastography image. The equipment recommends measurement locations within these selected frames. The image is analyzed for uniformity within each local region, temporal stability of each region relative to the same regions in adjacent frames, and similarity of each pixel relative to the remaining pixels within the ROI (Auto ElastQ);**

Sincerely,

Eindhoven, The Netherlands, 18 November 2025
