\*If this Order Form is executed and/or returned to Salesforce by Customer after the Order Start Date above, Salesforce may adjust the Order Start Date and Order End Date, without increasing the Total Price, based on the date Salesforce activates the products and provided that the total term length does not change. Following activation, any adjustments to such Order Start Date and Order End Date may be confirmed by logging into Your Account, by reference to an order confirmation sent by Salesforce, and/or by contacting customer support. \*\*The Monthly/Unit Price shown above has been rounded to two decimal places for display purposes. As many as eight decimal places may be present in the actual price. The totals for this order were calculated using the actual price, rather than the Monthly/Unit Price displayed above, and are the true and binding totals for this order. Prices shown above do not include any taxes that may apply. Any such taxes are the responsibility of Customer. This is not an invoice. For customers based in the United States, any applicable taxes will be determined based on the laws and regulations of the taxing authority(ies) governing the "Ship To" location provided by Customer on this Order Form.

## Pricing Schedule

Product	Monthly/ Unit Price**	Quantity For
Web Services API	EUR 0.00	30+
Sales Cloud - Professional Edition	EUR 35.00	30+

The pricing in the Pricing Schedule above ("Pricing Schedule") reflects the monthly per-subscription fees for the applicable Service. In the event the Pricing Schedule sets forth tiered pricing, any such tiered pricing levels are based upon the Aggregate Total Number of active subscriptions of the relevant Service purchased. "Aggregate Total Number" as it relates to a subscription, is the aggregate total number of active subscriptions, purchased by the Customer executing this Order Form, commencing on the Contract Start Date of this Order Form, as measured at the time of execution of the applicable Order Form. If a single additional order raises the aggregate number of subscriptions for any Service listed in the Pricing Schedule above the threshold limits specified therein, only those subscriptions exceeding the new threshold are entitled to the reduced pricing. Only additional orders by Customer that are associated with this Order Form, for purchase of subscriptions to the same Service and edition as set forth in the Pricing Schedule, during the period commencing on the Contract Start Date and ending on the Contract End Date of this Order Form, are eligible for the applicable volume pricing levels under the Pricing Schedule. For clarity, restricted use subscriptions (those subscriptions that either have the term "Restricted Use" in the Service name, or are indicated as a Restricted Use Subscription in a Quote Special Term) are not included when determining the Aggregate Total Number of a full use subscription, and full use subscriptions are not included when determining the Aggregate Total Number of a restricted use subscription. Any price decreases shall have no effect on previously purchased subscriptions. Volume discounts do not accumulate across different Services or editions. Any renewals of the subscriptions purchased under this Order Form are not eligible for the Pricing Schedule unless expressly agreed to in writing between the parties in an applicable renewal Order Form.

---

## Quote Special Terms

In the event this Order Form reflects an early renewal of Customer's existing subscriptions purchased under applicable Order Forms under Contract No(s). 03369616, (as referenced in the corresponding invoice(s)), this Order Form shall replace such previous Customer's Order Form(s) which is/are hereby terminated. Any credits applicable to fees paid in relation to such terminated Order Form(s) will be applied to this Order Form. In the event this Order Form reflects an on-time renewal of applicable Order Forms under Contract No(s). 03369616, the previous sentence about credits does not apply, and Order Forms related to such existing subscriptions shall be considered expired.
