

**ANNEX NO.**  
**TO THE - -2024 ORDER CONFIRMATION NO. 1ST-**  
**..... 2024, No. 1ST-**

**Mykolas Romeris University** (hereinafter referred to as the Editor), represented by assoc. prof. dr. Saulius Spurga, Deputy Rector, acting in accordance with empowerment stated in rector's order No. 1I-66 of the 2<sup>nd</sup> of April, 2019 and Keystone Education Group (hereinafter referred to as the Publisher), represented by PAUL VU, acting in accordance we have concluded the following Annex No. 1 and agreed to the terms below:

1. The Agreement provides fixed price pricing. The price for the Services will not be changed throughout the period of performance of the Agreement.
2. The recipient of the services agrees to settle an invoice within the specified terms provided in the invoice. An invoice is issued after signing the contract.
3. Upon the conclusion of the Agreement, but not later than the beginning of the Agreement, the Publisher undertakes to inform the Editor of the names, contact details and their representatives of the sub-suppliers known at that time by signing a separate Annex to the Agreement. The Editor shall also request the Publisher to inform of any changes in the said information during the whole term of the Agreement, as well as of any new subcontractors he intends to use later.
4. Parties are liable for non fulfillment of inappropriate fulfillment of obligations in accordance with the laws of the Republic of Lithuania, taking into account the specific features of this Agreement. The Publisher, in case of delay in providing the services within the terms provided for in the Contract, shall pay to the Editor the interest at the rate of 0.07% of the value of the services not provided for each day of delay. The Editor shall, in case of delay of payment for the services in accordance with the procedure provided for in paragraph 2.1 of the Agreement, additionally pay the Publisher the interest at the rate of 0.07% of the amount of the unpaid invoice for each day of delay.
5. The Publisher may, during the performance of the Agreement, initiate an amendment to the subcontractor provided for in the Annex to the Agreement, stating the reasons for such modification.
6. If the subcontractor was qualified in the procurement documents or the subcontractor was used to justify the compliance of the supplier's tender with the qualification requirements set out in the procurement documents, the replaced subcontractor shall comply with the relevant qualification requirements set out in the procurement documents. In such a case, if the subcontractor's position meets at least one of the grounds for exclusion under Article 46 of the Law of Public Procurement,

the Editor shall require the Services provider to replace the subcontractor with a qualifying subcontractor within the time limit specified by the Publisher.

7. If the Editor agrees to the Subcontractor's change, the Editor together with the Publisher shall make a written agreement on the Subcontractor's change, which shall be signed by the Parties. This Agreement shall form an integral part of the Agreement.
8. The Agreement may be terminated in accordance with Article 90 of the Law on Public Procurement of the Republic of Lithuania.
9. The Agreement may be amended in accordance with Article 89 of the Law on Public Procurement of the Republic of Lithuania.
10. The person appointed by the Services receiver to be responsible for the Contract is Kristė Naraškevičiūtė.
11. With this contract, green procurement is carried out in accordance with the description of the procedure for the application of environmental protection criteria in the implementation of green procurement, approved by the Minister of the Environment of the Republic of Lithuania in 2022, December 13 by order no. D1-401 "On the approval of the description of the procedure for the application of environmental protection criteria in the course of green procurement", sub-paragraph 4.4.3 (only an intangible (intellectual) or other service not related to the creation of a tangible object is purchased, the provision of which is not expected to have a significant negative impact on the environment , no pollution source is created and no waste is generated).
