

# PELICAN

Designer Johan Lindstén →

It has long been an ambition to create a chair that offers the very best in seating comfort and yet is not only lightweight and stackable, but also made from recycled materials.

Pelican which was launched spring 2020, designed by Johan Lindstén, and is a sleek-looking chair with gently rounded lines produced by recycled plastic materials. Pelican is the first chair in Sweden to be awarded the EU Ecolabel.

Pelican is now also available with wooden legs and upholstery on the inside seat.
