

Abbott Structural Heart
3200 Lakeside Drive
Santa Clara, CA 94025
USA

12 APR 2024

Dear Valued Customer,

The Structural Heart division of Abbott is committed to delivering outstanding products and services to assist clinicians in the treatment of structural heart diseases. To maintain this commitment, we are always looking for ways to improve or streamline our product offerings.

This letter is to notify you that Abbott is transitioning the MitraClip™ System and TriClip™ System (Clip Delivery System and Steerable Guide Catheter) part numbers starting 01 JUL 2024 to be compliant with the latest EU MDR regulations (EU MDR 2017/745 and 2020/561). Abbott is discontinuing the MitraClip™ G4 MDD and TriClip™ G4 MDD (Medical Devices Directive) products effective 31 DEC 2024, or while supplies last.

The product is identical between the old and new part numbers; therefore, existing inventory may continue to be used; it is not necessary to swap product.

Upon transition, please use the new part numbers listed in the table below.

Description	Old Part Number	New Part Number
MitraClip G4 NT bundle	MCo702-NT	MCo707-NT
MitraClip G4 XT bundle	MCo702-XT	MCo707-XT
