#### SPECIAL CONDITIONS

##### **Gold Open Access – Article Processing Charge Vouchers**

##### Definitions

**Eligible Author:** means corresponding authors whose primary affiliation is with a Consortium Member as stated in the Eligible Content.

**Eligible Content:** means content that is accepted for publication by the Publisher in accordance with the applicable acceptance criteria (including editorial and peer review standards).

**Journal Fees:** means the part of the Fees attributable to journal subscriptions.

**Voucher:** means a voucher representing prepaid article processing charge where one voucher redeems one item of Eligible Content.

1. In consideration of the Fees, the Publisher will issue 15 Vouchers for 2025, 15 Vouchers for 2026 and 15 Vouchers for 2027, for redemption by Eligible Authors.
2. The Vouchers expire after the period(s) stated and cannot be used in subsequent periods.
3. For each Consortium Member that opts out of the Agreement, the total number of Vouchers available for use by Eligible Authors pursuant to paragraph 1 above shall be reduced by 1 for the year in which such Consortium Member has opted out.
4. Eligible Authors may redeem Vouchers in any Publisher subscription journal supporting open access options (excluding Gold open access journals) on [www.emerald.com/insight](http://www.emerald.com/insight) that their affiliated Consortium Member has subscribed to in the period in which the Vouchers remain redeemable pursuant to the terms of this Agreement.
5. The Publisher shall inform Eligible Authors about the availability of Vouchers following article acceptance and will allocate to Eligible Content on a first come first served basis.
6. A condition of redemption is that the Eligible Authors must agree that, and grant all necessary rights to enable, the Eligible Content to be published on a Creative Commons Attribution 4.0 International (CC BY 4.0) licence (or other open access licence agreed between the Eligible Author and the Publisher). Authors may deposit Eligible Content published under these licences on any webpage, subject to full attribution and with zero embargo.
7. The Publisher will identify Eligible Authors following acceptance of Eligible Content for publication using industry standard methods of identifying affiliation, including Ringgold ID. The Parties acknowledge and agree that nothing in this Agreement, in particular but not limited to the definition or identification of an Eligible Author, affects how the affiliation of the author or Eligible Author is stated in the published article, which will be determined by the Publisher's policy from time to time.
8. If the Publisher allocates a Voucher to Eligible Content that was not authored by an Eligible Author, it will add a Voucher to the remaining balance following notification from the Consortium Member. For the avoidance of doubt, the Eligible Content will remain published on the open access licence that was applied at publication.
9. If the Publisher fails to identify an Eligible Author (the author having provided affiliation information) and Eligible Content is published without the use of a Voucher and the Eligible Author requests rectification, the Publisher will allocate a Voucher to the Eligible Content and publish it under a Creative Commons Attribution 4.0 International (CC BY 4.0) licence but will have no obligation to refund any article processing charges.
10. The Parties agree that Vouchers shall be applied retrospectively and therefore the Eligible Content of an Eligible Author that was published prior to the date that this Agreement was entered into but within a period that Vouchers are available under this Agreement, will be allocated a Voucher and published on Creative Commons Attribution 4.0 International (CC BY 4.0) licence subject to the Eligible Author's approval. The Publisher will have no obligation to refund any article processing charges already received prior to the date this Agreement was entered into.
11. The Publisher will make available to the Consortium Representative information about Eligible Content from Eligible Authors for the period 01 January 2025 to 31 December 2027. The Parties have agreed to the special conditions listed below. The special conditions either amend the General Terms and Conditions (where indicated), and will prevail over the General Terms and Conditions, or add new terms to the General Terms and Conditions. The special conditions together with the General Terms and Conditions (as amended) form the contract between the Parties.

The Parties agree to comply with the terms of the tender as set out in Annex 2 to this Agreement (the 'Tender').

The Consortium Representative shall pay the Fee to the Publisher within 60 days of receipt of the Publisher's invoice and the Parties agree that clause 3.2 of the attached General Terms and Conditions shall be deemed amended accordingly.

The Parties agree clause 3.3 shall be amended as follows: 3.3 The fee is inclusive of any taxes, including value added tax.

A new clause 10.2(c) and 10.2(d) shall be added as follows:

10.2 The Consortium Representative may terminate this Agreement by notice in writing if:

10.2(c) the international sanctions or other restrictive measures are applied to the Publisher according to the Law on International Sanctions of the Republic of Lithuania (e.g. Article 5 k of the Council Regulation (EU) No 833/2014 of 31 July 2014 concerning restrictive measures in view of Russia's actions destabilising the situation in Ukraine, as amended by Council Regulation (EU) No 2022/576 of 8 April 2022, etc.). Upon termination of this Agreement according to this clause, the Publisher shall reimburse to the Consortium Member a pro rata proportion of the then remaining paid Fee for the unexpired period of this Agreement.

10.2(d) done so in according to Article 90 of the Law on Public Procurement of the Republic of Lithuania. Upon termination of this Agreement according to Article 90 of the Law on Public Procurement of the Republic of Lithuania, the Publisher shall reimburse to the Consortium Member a pro rata proportion of the then remaining paid Fee for the unexpired period of this Agreement.

A Consortium Member may opt out of this Agreement. Notice of such a decision must be made by the Consortium Representative not less than 30 days prior to the beginning of the next Subscription Period and will be effective at the commencement of the next calendar year. In the event a Consortium Member opts out of this Agreement, such Consortium Member's Fee will be deducted from the invoice for the year in which such opting out is to be effective. Should the only remaining Consortium Member withdraw from the Agreement with the effect that there are no Consortium Members remaining opted in to the Agreement, the Agreement shall automatically terminate once the Consortium Representative notifies the Publisher as specified in this clause. The termination will take effect at the start of the next Subscription Period to which the withdrawal applies.

No later than by 10 December 2024 the Publisher shall issue to the Consortium the first invoice in the amount indicated in Item 3.1 of the Tender as payable for the year 2025. If the Publisher fails to issue the invoice to Consortium at a fixed date, it shall be considered that the Publisher has refused to provide the service and therefore he shall lose his right to receive the payment and the Agreement shall be considered as automatically terminated. In such case the Publisher shall lose his right to the reimbursement of any losses.

The Publisher shall submit other invoices on the dates agreed between the parties by email. If the submission of the invoice on the agreed deadlines is overdue, it shall be considered that the Publisher has refused to provide the service for that particular year and the Agreement shall be automatically terminated. In such case the Publisher shall lose his right to the reimbursement of any losses.

The Publisher shall issue only an electronic invoice to the Consortium Representative. The Publisher may use any means of an electronic invoice if it is in line with the European standard on electronic invoicing as prescribed by the Commission implementing

decision (EU) 2017/1870 of 16 October 2017 on the publication of the reference of the European standard on electronic invoicing and the list of its syntaxes pursuant to Directive 2014/55/EU of the European Parliament and of the Council. Electronic invoices, which are not compatible with the European standard on electronic invoicing should be issued via SABIS informational system (<https://sabis.nbfc.lt/>). Consortium accepts the electronic invoices and processes them using the means of SABIS information system except if, in the event of mobilization, war or emergency, there are violations of the information system SABIS, which makes it impossible to communicate and exchange information between Licensee and the Publisher using SABIS.

Details submitted by the Publisher in the Tender for the services of subscription to the online research databases EMERALD CORE EJOURNALS COLLECTION, EMERALD PREMIER EJOURNALS COLLECTION AND EMERALD ENGINEERING EJOURNALS COLLECTION are detailed in Annex 1. In case of conflict between (i) the General Terms and Conditions alongside Annex 1 and; (ii) the Tender - the Tender shall prevail.

The Publisher shall ensure proper compliance with the provisions of Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC. The Publisher shall use, store or otherwise process any personal information which relates to and/or identifies the Licensee and/or the Authorised Users (including, but not limited to, names and addresses) only to the extent reasonably necessary for the Publisher, its partners, successors (including the purchaser of the whole or part of its business), associates, sub-contractors or other third parties to make available and/or to provide the Licensed Materials to the Licensee and/or to the Authorised Users and only for the time of the provision of services.

The parties acknowledge that any amendments to this Agreement shall be subject to the requirements set forth in Article 89 of the Law on Public Procurement of the Republic of Lithuania.

For the avoidance of doubt the total price of the tender shall be published on Lithuanian Central Public Procurement Information System.

- 2.2. For Products purchased on subscription, the Licenced Materials shall include all content included in the relevant Product during the Subscription Period.
