Shaoxing Zhengde Surgical Dressing Co., Ltd.

**GAUZE SWABS  
NON-WOVEN SWABS  
LAP SPONGES  
COTTON PRODUCTS**

## Company Profile

Shaoxing Zhengde Surgical Dressing Co.,Ltd. is a leading manufacturer and exporter which is specialized in producing gauze swabs, lap sponges, non woven swabs, supporting bandages, first aid kits, paraffin gauzes, medical stockings as well as adhesive wound dressing products. The in-house production system ranges from spinning, weaving, and bleaching, from woven fabrics to the further processing of finished products.

Founded in 1993, based on active development, Zhengde has become a key manufacturer and exporter of medical dressings in China, constantly focusing on market trend and customer demand, improving product quality, reducing cost and enhancing service. Complying with FDA, GMP requirements, Zhengde actively carried out and introduced international management standards, built up an efficient quality assurance system ISO13485 and ISO9001. Zhengde has successfully entered international markets, mainly America, Canada, Europe, Africa and Middle East and so on. Meanwhile, the domestic market is also quite fruitful.

In retrospect, within the past years, Zhengde has gained rich experience and maintained high level of quality in production, business management, R&D, and innovation.

Keeping more than 30% steady annual growth. "creating value, sharing success", Zhengde is confident of being able to build on its strong foundation to be the most competitive surgical dressing manufacturer in China.

## WORKSHOPS

gauze swabs workshop

non woven swabs workshop

## GAUZE SWABS

Gauze swabs, 100% pure cotton, are ideal for wound dressing, wound packing and wound care. Folded edges and unfolded edges are available, also available in multiple sizes and plies. The strictly manufacturing process control for bleaching, drying, cutting, folding and packing assures clean, low lint, fluffy and highly absorbent.

**Comfortable, Latex- Free, With or without X-Ray**
