Re: Letter of Support for 738510 - Viešosios debesijos paslaugų pirkimas

To Whom It May Concern:

Amazon Web Services EMEA SARL (AWS) is very pleased to support Telia Lietuva AB in its efforts to assist VŠĮ Lietuvos nacionalinis radijas ir televizija for 738510 - Viešosios debesijos paslaugų pirkimas using the AWS Cloud. This letter confirms that Telia Lietuva AB is an AWS Partner Network (APN) AWS Advanced Partner in good standing.

Telia Lietuva AB participates in the following AWS Partner Programs: AWS Public Sector Partner (Government), AWS Solution Provider Program, and AWS Public Sector Solution Provider.

AWS offers commercially available, web-scale computing services that help organizations avoid much of the heavy-lifting typically associated with launching and growing successful applications. These services are based on Amazon's own back-end technology infrastructure and incorporate over a decade and a half of experience building one of the world's most reliable, scalable, and cost-efficient web infrastructures. The use of AWS will provide you with access to expertise in large-scale distributed computing and operations and will enable your applications to be robust and scalable.

AWS values and appreciates the opportunity to support Telia Lietuva AB, and we look forward to a long and productive relationship. If you have any questions, or require additional information, please contact
