## STATEMENT

As master distributor and subsidiary of IZI Medical Products LLC, 5 Easter Ct # J, Owings Mills, MD 21117, USA, we confirm, that the packaging of our goods contain no dangerous chemicals, toxic and environmentally harmful substances.

For our Breast Localization Needle product line (DKBL, DXRBL, IDLC) we do not have a secondary packaging. Primary packaging is a sterile pouch to keep product sterile, which is required for clinical use. We use recyclable cardboard boxes and recyclable paper filling as shipping material, only.

Best regards,

GM ILUMARK GmbH
