Subject to Oracle's approval and in its sole discretion, you may be authorized to obtain hardware with a limited right to demonstrate such hardware to third parties and/or to develop your value added hardware package. Your right to demonstrate hardware or use hardware to develop your value added package shall be subject to the terms of this agreement and additional written terms required by Oracle.

From time to time, during the term of this agreement, Oracle may provide you with access to Oracle marketing materials, technical support materials, consulting materials, and other software or services ("additional Oracle resources"). Your use of the additional Oracle resources shall be subject to the terms of this agreement, those terms set out in the Oracle PartnerNetwork policies, and any additional written terms posted on the Oracle PartnerNetwork site or other Oracle website related to the additional Oracle resources.

I. Ownership and Restrictions

Oracle or its licensors retain all ownership and intellectual property rights to the programs and methodologies, and Oracle retains all ownership and intellectual property rights to anything developed by Oracle and provided to you under this agreement ("deliverables"), and additional Oracle resources (the programs, methodologies, deliverables, and additional Oracle resources are collectively referred to herein as the "Oracle property"). You may make a sufficient number of copies of each program for your licensed use and one copy of each program media. All other rights are reserved, and this agreement does not grant any rights, whether by implication, estoppel, or otherwise, other than those rights specifically described in this agreement.

The programs may contain third party technology. Oracle may provide certain notices to you in the program documentation in connection with such third party technology. For clarity, the existence of a notice does not affect the terms under which third party technology is licensed to you.

Third party technology will be licensed to you either under the terms of this agreement or, if specified in the program documentation, under separate license terms ("separate terms") and not under the terms of this agreement ("separately licensed third party technology"). Notwithstanding any other terms of this agreement, your rights to use (including without limitation the right to distribute) such separately licensed third party technology under the separate terms are not restricted in any way by this agreement. However, solely with respect to separately licensed third party technology that is part of the programs, and is used: (i) in unmodified form; (ii) as part of the programs; (iii) in accordance with the license grant for the relevant programs and all other terms and conditions of this agreement, and (iv) in compliance with any of the separate terms that require (a) provision of notices in the form and to the extent provided by Oracle, (b) distribution of specified source code (in the form and to the extent such source code is provided by Oracle), and/or (c) distribution of the separately license third party technology under the separate terms in the form and to the extent provided by Oracle, Oracle will provide indemnification for separately licensed third party technology to the same extent as Oracle is required to provide indemnification for the programs under the terms of this agreement. Oracle will provide indemnification for third party technology that is part of the programs and not separately licensed third party technology to the same extent as Oracle is required to provide indemnification for the programs under the terms of this agreement.

You may not:

- remove or modify any program markings or any notice of Oracle's or its licensors' proprietary rights;
- make the Oracle property available in any manner to any third party for use in the third party's business operations (unless such access is expressly permitted for the specific program license or deliverables from the services you have acquired);

- cause or permit reverse engineering (unless required by law for interoperability), disassembly, or decompilation of the programs (the foregoing prohibition includes but is not limited to review of data structures or similar materials produced by programs);
- disclose results of any program benchmark tests without Oracle's prior written consent;
- use the Oracle property in a manner that misrepresents your relationship with Oracle or is otherwise misleading or that reflects negatively on Oracle;
- use or duplicate the Oracle property provided to you by Oracle for any purpose other than as specified in the OPN policies or expressly provided in this agreement or make the Oracle property available to unauthorized third parties;
- use the Oracle property for your own internal business operations, or use the Oracle property or make the Oracle property available in any manner to any third party for use in the third party's business operations or for any other commercial or production use;
- engage in any conduct that may be detrimental to Oracle or to the Oracle property; or
- enter into any agreement which requires you to take any actions that are in conflict with the terms of this agreement.

If you desire to use the Oracle property for any use other than the development, integration or demonstration use allowed under this agreement, including but not limited to the right to distribute the programs, you must enter into an appropriate agreement with Oracle to acquire the necessary rights.

J. Warranties; Disclaimers and Remedies

Oracle warrants that a program licensed to you will operate in all material respects as described in the applicable program documentation for one year from delivery (i.e., via physical shipment or electronic download). You must notify Oracle of any program warranty deficiency within one year from delivery. Oracle also warrants that services will be provided in a professional manner consistent with industry standards. You must notify Oracle of any services warranty deficiencies within 90 days from performance of the deficient services.

ORACLE DOES NOT GUARANTEE THAT THE PROGRAMS WILL PERFORM ERROR-FREE OR UNINTERRUPTED OR THAT ORACLE WILL CORRECT ALL PROGRAM ERRORS.

FOR ANY BREACH OF THE ABOVE WARRANTIES, YOUR EXCLUSIVE REMEDY AND ORACLE'S ENTIRE LIABILITY SHALL BE: (A) THE CORRECTION OF PROGRAM ERRORS THAT CAUSE BREACH OF THE WARRANTY; OR, IF ORACLE CANNOT SUBSTANTIALLY CORRECT SUCH BREACH IN A COMMERCIALY REASONABLE MANNER, YOU MAY END YOUR PROGRAM LICENSE AND RECOVER ANY UNUSED, PREPAID TECHNICAL SUPPORT FEES YOU HAVE PAID TO ORACLE; OR (B) THE REPERFORMANCE OF THE DEFICIENT SERVICES; OR, IF ORACLE CANNOT SUBSTANTIALLY CORRECT A BREACH IN A COMMERCIALY REASONABLE MANNER, YOU MAY END THOSE SERVICES AND RECOVER THE FEES YOU PAID TO ORACLE FOR THOSE SERVICES.

NOTWITHSTANDING THE ABOVE, ALL CONTENT PROVIDED BY ORACLE ON THE OPN SITE IS PROVIDED BY ORACLE ON AN "AS IS" BASIS. ORACLE DOES NOT GUARANTEE THAT THE CONTENT PROVIDED BY ORACLE ON THE OPN SITE WILL PERFORM ERROR-FREE OR UNINTERRUPTED. ANY CONTENT DOWNLOADED OR OTHERWISE OBTAINED THROUGH THE USE OF THE OPN SITE IS OBTAINED AT YOUR OWN DISCRETION AND RISK AND ORACLE SHALL HAVE NO RESPONSIBILITY FOR ANY LOSS OR DAMAGE THAT RESULTS FROM THE DOWNLOAD OF ANY SUCH CONTENT OR YOUR USE OF THE CONTENT ON THE OPN SITE.

TO THE EXTENT NOT PROHIBITED BY LAW, THESE WARRANTIES ARE EXCLUSIVE AND THERE ARE NO OTHER EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS, INCLUDING WARRANTIES OR CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

K. Indemnification

If a third party makes a claim against you that any program infringes its intellectual property rights based on your authorized use of the programs in accordance with the terms of this agreement, Oracle will indemnify you against the claim if you do the following:

- notify the General Counsel, Oracle Legal Department, promptly in writing, not later than 30 days after you receive notice of the claim (or sooner if required by applicable law);
- give Oracle sole control of the defense and any settlement negotiations; and
- give Oracle the information, authority, and reasonable assistance Oracle needs to defend against or settle the claim.

If Oracle believes or it is determined that any of the programs may have violated someone else's intellectual property rights based on your authorized use of the programs in accordance with the terms of this agreement, Oracle may choose to either modify the program to be non-infringing (while substantially preserving its utility or functionality) or obtain a license to allow for continued use, or if these alternatives are not commercially reasonable, Oracle may end the license for the applicable program and refund any unused, prepaid technical support fees you have paid to Oracle. Oracle will not indemnify you if you alter a program or use it outside the scope of use identified in the program documentation or if you use a version of the program which has been superseded, if the infringement claim could have been avoided by using an unaltered current version of the program which was provided to you. Oracle will not indemnify you to the extent that an infringement claim is based upon products or services not provided by Oracle. Oracle will not indemnify you to the extent that an infringement claim is based upon the combination of any program with any products or services not provided by Oracle. Oracle will not indemnify you for infringement caused by your actions against any third party if the programs as delivered to you and used by you in accordance with the terms of this agreement would not otherwise infringe any third party intellectual property rights. Oracle will not indemnify you for any infringement claim that is based on: (1) a patent that you were made aware of prior to the effective date of this agreement (pursuant to a claim, demand, or notice); or (2) your actions prior to the effective date of this agreement. If a third party makes a claim against Oracle that any information, design, specification, instruction, software, data, or material ("material") furnished by you to Oracle under this agreement infringes their intellectual property right, you will indemnify Oracle. This section provides your exclusive remedy for any infringement claims or damages.

L. Term, Termination & Renewal

This agreement shall remain in effect for one year from the membership start date shown in the notification to you of your acceptance as a member of OPN. This agreement may be terminated by either party for any reason and at any time by providing thirty (30) days prior written notice to the other party. If either of us breaches a material term of this agreement and fails to correct the breach within 30 days of written specification of the breach, including but not limited to your failure to pay the membership fees as required herein, then the breaching party is in default and the non-breaching party may terminate this agreement. If you become insolvent, substantially cease conducting business, make a general assignment for the benefit of creditors, or suffer or permit the appointment of a receiver for your business or assets, then Oracle may terminate this agreement. If Oracle ends this agreement as specified in this paragraph, you must pay within 30 days from notification of the termination all amounts which have accrued prior to such end, as well as all sums remaining unpaid for programs and/or services received under this agreement plus related taxes and expenses. If Oracle ends the license for a program under the Indemnification section, you must pay within 30 days from notification of the termination all amounts remaining unpaid for services related to such license plus related taxes and expenses. Except for nonpayment of fees or if the breach is of a nature which cannot be corrected, the non-breaching party may agree in its sole discretion to extend the 30 day period for so long as the breaching party continues reasonable efforts to cure the breach. You agree that if you are in default under this agreement, you may not use the Oracle property. Notwithstanding the terms of Section S (Entire Agreement) Oracle may terminate this agreement and your membership in OPN if you breach the terms of any agreement under which you are permitted to distribute Oracle programs.

Upon termination or expiration of this agreement, you shall cease to be a member of OPN and all of your rights to receive the services detailed in this agreement and the OPN policies and to use the Oracle property shall cease. Upon termination or expiration of this agreement you shall cease using, and shall return or destroy, all copies of the applicable Oracle property and shall return, destroy, or refrain from using any information regarding marketing or sales opportunities provided by Oracle.

Any renewal of this agreement shall be subject to Oracle's standard terms and fees in effect at such time and shall be at Oracle's sole discretion. You may apply for renewal of your membership in OPN by on-line electronic acceptance of the terms of the then current OPN agreement, and Oracle will notify you if it accepts your

application for renewal. Provisions that survive termination or expiration are those relating to limitation of liability, payment, and others which by their nature are intended to survive.

M. Nondisclosure

By virtue of this agreement, the parties may have access to information that is confidential to one another ("confidential information"). We each agree to disclose only information that is required for the performance of obligations under this agreement. Confidential information shall be limited to the methodologies, the content accessible on the OPN site, the terms under this agreement, and all information clearly identified as confidential at the time of disclosure.

A party's confidential information shall not include information that (1) is or becomes a part of the public domain through no act or omission of the other party; (2) was in the other party's lawful possession prior to the disclosure and had not been obtained by the other party either directly or indirectly from the disclosing party; (3) is lawfully disclosed to the other party by a third party without restriction on the disclosure; or (4) is independently developed by the other party.

We each agree to hold each other's confidential information in confidence for a period of three years from the date of disclosure. Also we each agree to disclose confidential information only to those employees or agents who are required to protect it against unauthorized disclosure. In addition, you agree that you may not disclose to investors or potential investors information regarding Oracle's financial performance or your company's financial performance specifically related to Oracle programs and/or services without prior written consent from Oracle's Investor Relations group. Nothing shall prevent (1) either party from disclosing the terms or pricing under this agreement in any legal proceeding arising from or in connection with the terms of this agreement, (2) Oracle from disclosing to an Oracle VAD information about the status of your membership in the Oracle PartnerNetwork or this agreement, or (3) either party from disclosing the confidential information to a federal or state governmental entity as required by law.

N. Logo License

To promote your relationship with Oracle under this agreement, Oracle grants you a non-exclusive, non-transferable right to use the Oracle logos made available to you as set forth in the OPN policies (the "logos"), provided that you continuously meet the applicable criteria and requirements set forth in the OPN policies. Oracle may modify any of the logos from time to time and you shall stop using any prior version following any such modification. Your use of the logos shall strictly comply with Oracle's Logo and Advertising Template Guidelines set forth at <http://www.oracle.com/partners> (log in, select Membership / Agreements and Policies), which may be modified from time to time. You shall not use the logos in a manner that misrepresents your relationship with Oracle or is otherwise misleading, or that reflects negatively on Oracle. All products and services in connection with which you use the logos shall conform to Oracle's quality standards and meet or exceed industry standards. You shall cooperate with Oracle to allow for review of your use of a logo and compliance with Oracle's quality standards. If Oracle, in its sole discretion, determines that your use of a logo is not in compliance with this agreement, you shall promptly modify or discontinue your use of the logo as directed by Oracle. Oracle may change the logos and Logo and Advertising Template Guidelines, and, upon reasonable notice from Oracle, you shall promptly modify your use of the logos to conform to any such changed logo or Logo and Advertising Template Guidelines. You acknowledge that you are granted no rights with respect to Oracle trademarks except as expressly set forth herein, and agree that any use of Oracle trademarks (including the "logos") by you shall inure to the sole benefit of Oracle. You agree to provide reasonable assistance to Oracle in connection with the protection and prosecution of Oracle trademarks. You agree not to use Oracle trademarks or potentially confusing variations of Oracle trademarks (including "Ora") as a part of any of your trademarks, product names, service names, company name, or Internet addresses.

O. Relationship of the Parties

In all matters relating to this agreement you will act as an independent contractor. The relationship between Oracle and you is that of licensor/licensee. This agreement does not create a partnership, joint venture, agency, employee/employer, lobbyist/lobbyist employer relationship, or franchisee/franchisor relationship between the parties. Neither party will represent that it has any authority to assume or create any obligation, express or implied, on behalf of the other party, nor to represent the other party as agent, employee, franchisee, or in any other capacity. You acknowledge that in your delivery of any computer consulting services to end users you are not acting as Oracle's agent and you agree to state the same in any services agreement you enter into with such end users. Nothing in this agreement shall be construed to limit either party's right to independently develop or

distribute software that is functionally similar to the other party's product, so long as proprietary information of the other party is not included in such software or used to create such software.

P. Opt-in to Marketing

As a member of OPN at any level, you will need to know about membership and participation in OPN, new related products and services, conferences, events, and training. Notwithstanding any selection to opt out of receiving electronic marketing from Oracle that you may make during your registration, your participation in OPN will serve as an opt-in to receive Oracle marketing that may be deemed relevant to Oracle partners. You are responsible for providing any notices and obtaining any consents, if required, from any persons who are signed up to OPN on your behalf.

Q. Privacy and Data Protection

If you provide Oracle with personal information concerning your customers, prospects or employees, Oracle will only use the information in manners consistent with those specified in this agreement or any distribution agreements entered into with Oracle to accomplish their purposes, or as otherwise indicated at the time Oracle collects such information. This information may be maintained by Oracle in data centers in the United States and may be accessed by Oracle's global personnel as required for business purposes. You agree to provide all relevant notices and obtain any consents required to share the information with Oracle.

If Oracle provides you with personal information concerning Oracle's partners, customers, prospects, or employees, you agree that you will permit access to and use of such information solely in connection with the sale of Oracle products or services and for the limited purpose(s) for which it was provided by Oracle under this agreement. You also agree to comply with all laws that apply to your use of this information for such purposes.

The above requirements do not apply to either party's relationships with its customers.

To the extent either party transfers personal information concerning the other party's partners, customers, prospects, or employees originating from the European Economic Area ("EEA") or Switzerland, including through its affiliates, subcontractors or other third parties, to a country outside the EEA or Switzerland that has not received a binding adequacy decision by the European Commission, such transfer shall be subject to the terms of (i) the Standard Contractual Clauses for Controller to Controller Transfers based on European Commission Decision 2004/915/EC; or (ii) other appropriate transfer mechanisms that provide an adequate level of protection in compliance with applicable European Union privacy and data protection laws.

R. URLs

It is your responsibility to regularly monitor all applicable URLs referenced in this agreement. You confirm that you have access to the Internet and confirm that prior to entering into this agreement you have read the policies identified in this agreement and agree to the terms and conditions set out in those policies. You undertake that you will visit the websites referenced above on a regular basis so that you are aware of any amendments Oracle may make to those policies from time to time.

S. Entire Agreement

You agree that this agreement and the information which is incorporated into this agreement by written reference (including reference to information contained in an URL or referenced policy), together with any applicable additional written terms posted on the OPN site related to the Oracle property you receive from Oracle under this agreement and any applicable Oracle ordering document or online ordering system, are the complete agreement for the Oracle property and your membership in OPN, and that this agreement supersedes all prior or contemporaneous agreements or representations, written or oral, regarding the Oracle property and your membership in OPN. If any term of this agreement is found to be invalid or unenforceable, the remaining provisions will remain effective and such term shall be replaced with a term consistent with the purpose and intent of this agreement. It is expressly agreed that the terms of this agreement and any order with Oracle shall supersede the terms in any purchase order or other non-Oracle document or non-Oracle online ordering system and no terms included in any such purchase order or other non-Oracle document or non-Oracle online ordering system shall apply to the programs and/or services ordered. This agreement and any order with Oracle may not be modified and the rights and restrictions may not be altered or waived except in a writing signed or accepted

online through OPN by authorized representatives of you and Oracle. Any notice required under this agreement shall be provided to the other party in writing.

T. LIMITATION OF LIABILITY

NEITHER PARTY SHALL BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, OR ANY LOSS OF PROFITS, REVENUE, DATA, OR DATA USE. ORACLE'S MAXIMUM LIABILITY FOR ANY DAMAGES ARISING OUT OF OR RELATED TO THIS ORACLE PARTNER NETWORK AGREEMENT, WHETHER IN CONTRACT OR TORT, OR OTHERWISE, SHALL BE LIMITED TO THE ANNUAL MEMBERSHIP FEES YOU PAID ORACLE FOR THE RELEVANT YEAR DURING WHICH A CLAIM IS MADE.

U. Export

Export laws and regulations of the United States and other relevant local export laws and regulations apply to the programs. You agree that such export control laws govern your use of the programs (including technical data) and any services deliverables provided under this agreement and you agree to comply with all such export laws and regulations (including "deemed export" and "deemed re-export" regulations). You agree that no data, information, program and/or materials resulting from services (or direct product thereof) will be exported, directly or indirectly, in violation of these laws, or will be used for any purpose prohibited by these laws including, without limitation, nuclear, chemical, or biological weapons proliferation or development of missile technology.
