

5.20.1. Basic Principles

Procedures for All Replay Reviews

- a) All replay reviews will be conducted by the referees after gathering as much information as possible from the unified scorers and the Instant Replay System (IRS) monitor. The crew chief will make the final decision.
- b) Only the referees and the IRS operator (IRSO), who must understand and speak English, will be present in the area where the IRS is installed. The crew chief will order any other person not complying with these requirements to leave the area.
- c) The call made by the referees during play will always be shown prior to reviewing the play, and this will only be changed when the replay provides the referees with clear and conclusive visual evidence to do so.

- d) Whether a shot clock violation occurred before the ball left the shooter's hands.
