Declares that the product:

**Blood drawing chair, models: FK-02**

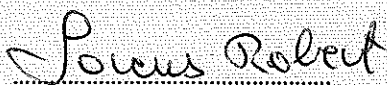

(Class I Product – Rule 1)

Are compliant with the basic requirements of the Order of Ministry of Health of January 12, 2011, on basic requirements and procedures for compliance assessment of medical products (Journal of Laws No. 16/2001, item 74) that introduces provisions of the Council Directive 93/42/EEC of June 14, 1993, on medical products (as Amended).

Compliance assessment was carried out according to Annex 7 of the above mentioned Order. The following standards were employed for compliance assessment:

<b>PN-EN 980:2010</b>	Graphic symbols used in labelling of medical products
<b>PN-EN1041:2010</b>	Information supplied by the manufacturer together with the medical products
<b>PN-EN ISO 14971:2011</b>	Medical products – Risk management application for medical products
<b>PN-EN 12182:2005</b>	Technical aids for the disabled – General requirements and research methods
