2. INFORMATION ON SUBCONTRACTORS INTENDED FOR SUBCONTRACTING OR
RELIANCE ON THE CAPACITIES OF OTHER ECONOMIC ENTITIES

Together with the Request for Participation the Supplier **must** disclose Economic Entities on the capacities whereof it relies in order to fulfil the qualification requirements laid down in the Procurement documents (hereinafter: 'Economic Entities'). If the Supplier does not indicate in the Request that it relies on the capacities of other Economic Entities, in accordance with Article 49 of the Law on Public Procurement / Article 62 of Law on Procurement by Contracting Entities Operating in the Water, Energy, Transport and Postal Service Sectors (the Special Part of the Procurement Conditions indicates which Law is followed) it shall be considered that the Supplier itself fulfils the qualification requirements laid down in the Procurement documents.

2.1. Economic Entities whose capacities are relied upon to fulfil the qualification requirements:

No.	Name of an economic entity whose capacities are being relied upon	Name of the qualification requirements with regard to which the capacities of the Economic Entity will be used (In accordance with the requirements of Annex No. 3 to the SP)	Does the Supplier itself / a member of the group of Suppliers fulfil the qualification requirement for which Economic Entities are subcontracted?	
1.		Point 12 in part II of Annex 3 to the SP – experience in providing similar services	<input type="checkbox"/> Yes	<input type="checkbox"/> No
2.		Point 13 in part II of Annex 3 to the SP – technical equipment and means to ensure the quality of the repair of the device	<input type="checkbox"/> Yes	<input type="checkbox"/> No

The qualification requirements specified by the Supplier in the table may be met by the Supplier and/or Economic Entity or both. **Note:** Together with the Request for Participation the Supplier must submit ESPD filled in and signed by the Supplier and Economic Entities on the capacities whereof it relies, except for the cases where the Supplier itself fulfils the qualification requirements laid down in the Procurement documents. In such a case the Economic Entities whose capacities are being relied upon are not required to submit ESPD, their qualifications and filled in ESPD will not be verified before identifying the winning tender, and such Economic Entities will be considered as subcontractors.¹ It is noted that the Supplier may not rely on those Economic Entities who have not been disclosed by it.

Together with the request for participation we provide evidence that throughout performance of the Contract we will have at our disposal the resources of the Economic Entities listed in Table No. 2.1.

2.2. Quasi-subcontractors (on whose qualifications the supplier relies and who at the time of submitting a request or a tender are not employees of the supplier, economic entity on the capacities whereof the supplier relies, or subcontractor however it is intended to employ them if the tender is identified as winning;

No.	Name, surname of specialists proposed by the Supplier	Specialist proposed for the position (job title must conform with the position specified in the qualification requirements)	Legal relationship with the Supplier (<i>intent to employ</i>)
1.			Intended for employing in the case of success in the Procurement
2.			Intended for employing in the case of success in the Procurement

Together with the request for participation we provide digital copies of Quasi-subcontractors' declarations of intent to employ and consent to be employed in the case of the Supplier's success, confirming their consent to be employed in relation to the Procurement conducted by LTG.

¹ However, that does not restrict the Supplier's right to subcontract Economic Entities or together with the Request for Participation to submit documents supporting conformity of Economic Entities with the Procurement Conditions, which will be verified in the case when the Supplier informs in writing of the loss of its qualification or due to other reasons during the performance of the Contract there appear the circumstances under which the Supplier should rely on the capacities of other Economic Entities.

2.3. Subcontractors who will be subcontracted for the execution of the Contract, as well as specialists who are not employees of the Supplier and whose capacities will be relied upon during the execution of the Contract:

No.	Name of subcontractor ²	A share of contractual obligations for subcontracting
1.		
2.		

Note: It is not required to submit ESPD filled in and signed by Subcontractors.

We provide Subcontractors' declarations together with the Request for Participation.

2.4. Third parties on the capacities whereof the Supplier relies:

No.	Name	Resources on which the Supplier relies
1.		
2.		

Where the Supplier intends to rely on third-party capacities the Supplier shall indicate that together with the Request for Participation. The Supplier should (but is not bound) to indicate third parties (in Table No. 2.4), third-party resources it relies on, provide evidence that it will have at its disposal these resources throughout performance of the Contract. Conformity of third parties with regard to the grounds for exclusion, other qualification requirements, ESPD is not verified. **Together with the request for participation we provide evidence that throughout performance of the Contract we will have at our disposal the resources of the third parties listed in Table No. 2.4.**

3. OTHER INFORMATION

The Request for participation shall be accompanied by the following documents:

No.	Document	Title of a file attached
1.	ESPD	ESPD
2.
