MI-8 HELICOPTER FLIGHT SIMULATOR**

Šiauliai
2022

The Air Force of the Republic of Lithuania intends to buy the Mi-8 helicopter flight simulator training course (hereinafter referred to as the training service) for Lithuanian Air Force Air Base crews.

Requirements for training course:

1. Requirements for the course
 Course should be conducted with simulator appropriate to MI-8T helicopter. This program is focused for military Mi-8T helicopter crews. Intention is to keep and refresh helicopter crews' proficiency acting in various emergency situations in the flight and on the ground.

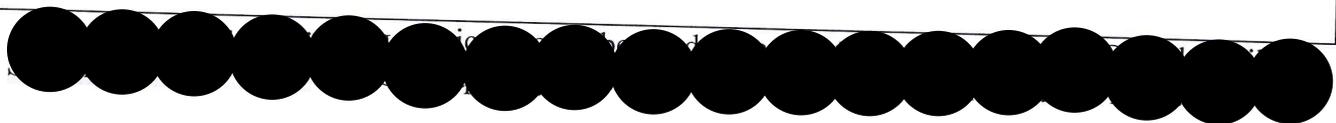

2. Course content:

2.1. Course shall be conducted by qualified instructors. Instructors' fee must be included in the price of course.

2.2. Course participants – Air Base Mi-8T crew not more than 3 persons.

2.3. Planned duration of the course – 10 flight hours per crew and not less than 2 hours ground preparation.

3. Additional material
 Upon successful completion of course, service provider must issue course completion certificate for each participant.

Offer price table:

No.	Name of request	Price for one crew training EUR (VAT excluded)	(The number of person depending on available funding) Preliminary number of crew	Total price for training EUR (VAT excluded)
1.	Mi-8 helicopter flight simulator training course	7000 EUR	7 crews (21 persons)	49 000 EUR
The total training price (VAT excluded)				VAT will not be applicable)

1. The offer will be selected based on the lowest price for training.
2. Offer's price should include all fees, taxes and pays which might have influence on total service price.
3. Requirements for training service lay out in technical specifications.
4. The **Supplier** shall be paid after the completion of training service, within 30 (thirty) calendar days from receipt of invoice (invoice shall be also sent by e-mail).
5. Delayed financing from the budget shall be deemed the grounds for absolute release of **the Purchaser** from civil liability and payment of default interest on overdue payment.
6. **Purchaser** has rights to:
 - 6.1. Reject offers in case they do not comply with the qualification requirements or survey procedures.
 - 6.2. Reject offers due to price, which is not acceptable for **Purchaser**;
7. The Contracting Authority shall offer to the **Supplier**, whose tender will be recognized as a winner, to sign a procurement contract for training service. Procurement contract shall be awarded in two parts – general and special one.
