CONSENT OF THE SUBCONTRACTOR

2024-10-01 Nr. 17

Tallinn

I, Mihhail Jegorov - Head of the Calibration Laboratory, agree that the laboratory "Taatuslabor WEGA OÜ", which I represent, would be a subcontractor of the Lithuanian Energy Institute for the procurement of metrological verification services of heat metering devices from DN80 to DN 300 (purchase No. 739560), which is carried out by the joint - stock company "Kauno Energija" by means of a simplified open tender during the entire term of the Contract.

Head of the laboratory
