**To: Valued customer**

## CERTIFICATE OF CONFIRMATION

We, **Esco Micro Pte. Ltd.**, are the manufacturer of Biological safety cabinets, Laminar flow cabinets, Fume hoods, Ductless fume hoods, Lab oven; Lab incubator, CO<sub>2</sub> incubator, Ultra-low temperature Freezer, Compounding pharmacy equipment, Containment/Pharma products, IVF workstation and etc., located at 21 Changi South street 1, Singapore 486777, with a factory in Bintan, Indonesia

We confirm that our CO<sub>2</sub> Incubator:

Category: CO<sub>2</sub> Incubator

Trademark: CelCulture®

is supplied with the availability of spare parts for at least 5 years from the end of the warranty period of the product. However, exceptions may apply in cases where the offered product's original (or equivalent) spare parts cannot be supplied to the market of the Republic of Lithuania for objective reasons.

We would like to confirm the above information to clarify the questions of customers recently and we hope that customers continue to trust and use our products in the future.

**Signed,**

A blue circular stamp with the text "ESCO MICRO PTE LTD" around the perimeter and a star in the center. Overlaid on the stamp is a handwritten signature in blue ink.
