

SUPERVENT HOOD

The Arctic Black Super-Vent hood is Northern Divers uniquely designed Neoprene scuba diving hood.

The hood combines Super Vent technology with the added comfort of our unique Super-Stretch Neoprene.

Our one-way Super-Vent valve removes trapped air from the inside of the hood, increasing comfort and ensuring a perfect fit throughout the duration of the dive.

Manufactured from 6.5mm Super-Stretch Neoprene, increasing flexibility and comfort and including our unique Ti-Ax® heat reflective technology, for superior thermal properties, with an external MA stretch nylon heavy-duty coating, for increased longevity and durability.

This Arctic Black Super-Vent hood is suitable for use with wetsuits or drysuits, for the ultimate diving combination.

- Constructed From 6.5mm Super-Stretch Neoprene
- Super-Vent System Quickly Removes Trapped Air
- Unique Ti-Ax® Coating For Superior Thermal Properties
- External MA Heavy Duty Coating For Increased Longevity
- Equally Suitable For Use With Wetsuits or Drysuits

Sizes available: S, M, L, XL, XXL
