7.2.3. Installment 3 – from 1 January 2028 till 31 December 2028 – 97,615.54 EUR (VAT inclusive).

7.3 The Publisher will invoice the Licensee in the amount payable and due at the address as

set out below:

Lithuanian Research Library Consortium
Saulėtekio Ave 14,
LT-10223 Vilnius,
Lithuania.

7.4 The Publisher shall issue only an electronic invoice to the Licensee. The Publisher may use any means of an electronic invoice if it is in line with the European standard on electronic invoicing as prescribed by the Commission implementing decision (EU) 2017/1870 of 16 October 2017 on the publication of the reference of the European standard on electronic invoicing and the list of its syntaxes pursuant to Directive 2014/55/EU of the European Parliament and of the Council. Electronic invoices, which are not compatible with the European standard on electronic invoicing should be issued via SABIS informational system (<https://sabis.nbfc.lt/>) if functionality for foreign suppliers to issue invoices in English will be available. Licensee accepts the electronic invoices and processes them using the means of SABIS information system except if, in the event of mobilization, war or emergency, there are violations of the information system SABIS, which makes it impossible to communicate and exchange information between the Licensee and the Publisher using SABIS.

7.5 If an interruption of the access and use of the Licensed Material lasts for more than 5 consecutive days (after the Licensee has notified the Publisher about the lost access), the Publisher shall pay the Licensee a fine equalling to 0.02 percent of the Fee for each delayed day starting with the sixth delayed day after the notification to the Publisher. No fine will be paid for the accumulating periods of non-continuous interruptions or any interruption caused by any negligence or wilful misconduct by the Licensee or any Authorised Institution or Authorised User.

7.6 A member of the Licensee's consortium may opt out of this Agreement during the Term. Notice of such a decision must be made prior to the beginning of the next subscription Term and will be effective at the commencement of the next calendar year. In the event a member of the Licensee's consortium opts out of this Agreement, such consortium member's Fee will be deducted from the invoice for the year in which such opting out is to be effective. Should the only Authorized Institution withdraw from the Agreement before the end of the Term, the Agreement shall automatically terminate once the Licensee notifies the Supplier as specified in this clause. The termination will take effect at the start of the next subscription term to which the withdrawal applies.

7.7. No later than by 12 December 2025 the Supplier shall issue to the LMBA the first invoice in the amount indicated in Item 3, Annex 1 (THE TENDER) as payable for the year 2026. If the Supplier fails to issue the invoice to LMBA at a fixed date, it shall be considered that the Supplier has refused to provide the service and therefore he shall lose his right to receive the payment and the Agreement shall be considered as terminated. In such case the Supplier shall lose his right to the reimbursement of any losses.

The Supplier shall submit other invoices on the dates agreed between the parties by email. If the submission of the invoice on the agreed deadlines is overdue, it shall be considered that the Supplier has refused to provide the service for that particular year and the Agreement shall be terminated. of VAT change in a way that directly affects the Fee, the Fee including VAT shall be recalculated according to the law without changing the Fee excluding VAT. The recalculated Fee shall be formalised by an amendment and applied from the date the new VAT rate enters into force and must be applicable. If the VAT rate increases and the Institution has no available funding to cover the increased cost, the financing period shall be adjusted accordingly, or the Agreement shall be terminated, with a pro rata refund provided for the unused portion of the subscription period.

In this case, the Licensee shall pay only for the access and use of the Licensed Material by the Authorised Users of the Authorised Institutions during the period of the validity of this Licence Agreement;

8.6.2 if the License was awarded to the Publisher in view of a serious infringement of the obligations under the Treaties and Directive 2014/24/EU of the European Parliament and of the Council of 26 February 2014 on public procurement and repealing Directive 2004/18/EC that has

been declared by the Court of Justice of the European Union in a procedure pursuant to Article 258 TFEU (Treaty on the Functioning of the European Union);

8.6.3 if the License Agreement has been subject to a substantial modification as prescribed in clause 15.1.1 and 15.1.2 of the License Agreement.

8.7 Upon termination of this Licence Agreement according to clause 8.6, the Publisher shall reimburse to the Licensee a pro rata proportion of the then remaining paid Fee for the unexpired period of this Licence Agreement.

10.1 The Publisher warrants to the Licensee that it is entitled to grant the licence under this Licence Agreement and that the use of the Licensed Material as contemplated in this Licence Agreement will not infringe any copyright or other proprietary or intellectual property rights of any natural or legal person. The Publisher agrees that the Licensee and the Authorised Institutions shall have no liability and the Publisher shall indemnify, defend and hold the Licensee and the Authorised Institutions harmless against any and all direct damages, liabilities, claims, causes of action, attorneys' fees and costs incurred by the Licensee or the Authorised Institutions in defending against any third party claim of intellectual property rights infringements or threats of claims thereof with respect of the Licensee's and the Authorised Institution's use of the Licensed Material, provided that: (1) the use of the Licensed Material has been in full compliance with the terms and conditions of this Licence Agreement; (2) the Licensee and the Authorised Institution(s) provide the Publisher with a prompt notice of any such claim or threat of claim; (3) the Licensee and the Authorised Institutions co-operate fully with the Publisher in the defence or settlement of such claim; and (4) the Publisher has sole and complete control over the defence or settlement of such claim.

10.2 The Publisher reserves the right to change the content, presentation, user facilities or availability of the parts of the Licensed Material and to make changes in any software used to make the Licensed Material available. The Publisher shall notify the Licensee of any change in the Licensed Material. The changes should not be substantial.

10.3 While the Publisher has no reason to believe that there are any inaccuracies or defects in the information contained in the Licensed Material, the Publisher makes no representation and gives no warranty express or implied with regard to the information contained in or any part of the Licensed Material including (without limitation) the fitness of such information or part for any purposes whatsoever and the Publisher accepts no liability for loss suffered or incurred by the Authorised Institutions or Authorised Users as a result of their reliance on the Licensed Material.

10.5 The Licensee agrees to notify the Publisher immediately and provide full particulars in the event that it becomes aware of any actual or threatened claims by any third party in connection with any works contained in the Licensed Material. It is expressly agreed that upon such notification, or if the Publisher becomes aware of such a claim from other sources, the Publisher may remove such work(s) from the Licensed Material. Failure to report knowledge of any actual or threatened claim by any third party shall be deemed a material breach of this Licence Agreement.

10.6 Nothing in this Licence Agreement shall make the Licensee liable for breach of the terms of this Licence Agreement by any Authorised Institution or Authorised User provided that the Licensee did not cause, knowingly assist or condone the continuation of such breach after becoming aware of an actual breach having occurred.

11. FORCE MAJEURE

11.1 Either party's failure to perform any term or condition of this Licence Agreement as the result of circumstances beyond the control of the relevant party (including without limitation, war, strikes, flood, governmental restrictions, and power, telecommunications or Internet failures or damages to or destruction of any network facilities) ("Force Majeure") shall not be deemed to be, or to give rise to, a breach of this Licence Agreement.

12. ASSIGNMENT

12.1 Save as permitted under this Licence Agreement, neither this Licence Agreement nor any of the rights under it may be assigned by either party without obtaining the prior written consent of the other party, and such consent shall not unreasonably be withheld or delayed. 13.2 The parties agree to use best efforts to resolve disputes in an informal manner. Where the parties agree that a dispute arising out of or in connection with this Licence Agreement would best be resolved by the decision of an expert, they will agree upon the nature of the expert required and together appoint a suitable expert by agreement.

13.3 Any person to whom a reference is made under Clause 13.2 shall act as an expert and not as an arbitrator and his decision (which shall be given by him in writing and shall state the reasons for his decision) shall be final and binding on the parties except in the case of manifest error or fraud.

13.4 Each party shall provide the expert with such information and documentation as he may reasonably require for the purposes of his decision.
