

ADDITIONAL ARRANGEMENT RELATING EXTENSION OF THE WARRANTY PERIOD AND DEFECT RECTIFICATION TO THE AGREEMENT NO. 21-16-30

2025-08-11 No. 21-16-1030

Airbus Helicopters Italia (further – Supplier), duly represented by Managing Director Mr. Guillaume Glize, acting in accordance with powers delegated by the Company (further – Supplier of the Service), and State Border Guard Service under the Ministry of the Interior of the Republic of Lithuania (further understood as Purchaser or Service), represented by the Deputy Head of the State Border Guard Service, Saulius Nekraševičius, acting in accordance with the Regulations of the State Border Guard Service under the Ministry of Interior of the Republic of Lithuania, as approved by the Order of the Minister of Interior of the Republic of Lithuania of 27 March 2024, No. 1V-223, "On the Approval of the Provisions of the State Border Guard Service under the Ministry of Interior of the Republic of Lithuania, and sub-clause 3.1.4 of the Head of the Service's Order No. 4-15 dated 14 January 2022 "On the Organisation of the Activity of the Structural Units of the State Border Guard Service under the Ministry of the Interior of the Republic of Lithuania", further Purchaser and Supplier are understood as "Parties" or separately as "Party", while taking into consideration:

- 1) Agreement 21-16-30 signed between Purchaser and Supplier on 19 January 2022.
- 2) Technical remarks of the Purchaser and Supplier submitted during modernization, installing modifications and post-modernization end use phase of the helicopters EC-135T2+ Reg. No. LY-HCE (S/N 518) and Reg. No. LY-HCD (S/N 513), based on which improvement of the technical configuration is required to be implemented under the warranty onto the helicopters;
- 3) Such changes of technical design on Supplier helicopters and their equipment were unable to be foreseen during the initial design phase.

Agreed following:

1. Required technical configuration changes / further improvements to be implemented under the warranty, to ensure proper functionality of the equipment stated below as follows:
 - a. EOS MX15, Search Light Trakka, SIGINT Lifeseeker, EOS operator console and Equipment rack modification according to technical remarks submitted as well as design discrepancies which affects certain functionality of the equipment in question;
 - b. In-depth post-installation checks for recently installed modifications;
 - c. Validation of the projects following the successful completion of the modification.
2. To extend warranty period of Services foreseen the Agreement 21-16-30 for helicopters EC-135T2+ Reg. No. LY-HCE (S/N 518) and Reg. No. LY-HCD (S/N 513) until final discrepancies rectification and satisfactory use of the installed equipment is reached but not later than end of the calendar year 2025;
3. Should circumstances arise beyond the Supplier's control, the parties, upon concluding an amendment to this agreement, shall modify the deadlines for rectifying work defects.
4. Such changes of technical design on Purchaser helicopters and their equipment has no impact on the final price of the Agreement itself and it remain untouched and Supplier undertakes to perform the works listed in subparagraph 1 of this agreement within the agreed deadlines at their own expense.

5. Purchaser require a formal letter from Supplier (accompanied by an extract from the Chamber of Commerce) detailing the company name change after the merger, along with other relevant information (e.g., VAT code, bank details);
6. Parties agree that Supplier company name change after the merger has no impact on the implementation of this Arrangement;
7. Parties agree that the information related to this Arrangement will be subject to the same level of confidentiality as it is applied to the Agreement itself;
8. This Arrangement is done in English languages in two copies with one set per each Party, each of which shall have equal legal force;
