Company introduction

Zhejiang Aishuibao Piping Systems Co.,Ltd, a member of AISHUIBAO Group, was established in 1989. With more than 20 years' development, it has grown into a leading factory for heating industry in China.

Now the factory is composed of 2 divisions---plastic division and brass division. The previous aluminum division has successfully transferred to the sister company, Zhejiang Keju Industrial Co.,Ltd. With the same owner, both factories have become important industry of AISHUIBAO Group. The factory has got ISO9001:2008 certificates. Most of the products have got CE, GOST-R, Ukraine, Polish certificates and passed the RoHS test. The pex/al/pex pipe has got SKZ certificate for German market.

For plastic division, the main products cover PPR series pipes and fittings, multilayer (pex/al/pex) pipes, pex/pert floor heating pipes, PE pipes and fittings, PAP5 pipes and fittings, UPVC pipes and fittings.

For brass division, the main products cover compression and clamping fittings for multilayer pipe system and brass fittings for installation. We also produce fittings according to customers' drawings, with high accuracy and designated materials.

Aishuibao and Keju take their intelligent management as the support while they become bigger and stronger each year. The products are exported to Europe, America, Asia, the Middle-east, Australia and Africa. Now we have set up branches in United Arab Emirates, Russia and Ukraine. Under the international investment strategy, ASB company will continue to pursuing the aim of "Innovation.Refinement, Interaction.and Win-win" business philosophy. At the same time to build up market concept, values, service concept, honor concept.It is our commitment to devoting to customer and striving to step up the company's brand image ASB in the world.
