

**To whom it may concern:**

Dear Sir,

We, Chemotechnique MB Diagnostics AB (hereinafter "Chemotechnique"), located at Modemgatan 9, SE-23539, Vellinge, Sweden, registered under the laws of Sweden offer the most complete range of high quality patch testing products for the diagnosis of contact dermatitis including haptens (allergens) and test chambers.

We hereby confirm that UAB Mediq Lietuva, , a company duly organized and existing under the laws of Lithuania, having its principal place of business at Laisvės pr. 75, LT-06144 Vilnius, Lithuania, is an authorized and exclusive distributor of Chemotechnique in Lithuania.

This statement is made for the benefit of Chemotechnique's distributor and strictly for informational purposes. It may not be used for any other purposes than the purpose stated above and nothing herein implies, or shall be construed as a warranty from Chemotechnique in your favor.

This letter of Authorization is valid until 2020-12-31

Yours faithfully,

Signature: 

Bo Niklasson, President and CEO of Chemotechnique MB Diagnostics AB

Vellinge, Sweden
