Klaipēda State Seaport Authority

I, the undersigned, confirm that environmental expert Adris Maurāns during the period from 2004 to 2006 has been involved in the project "Implementation and certification of Quality Management System (ISO 9001), Environmental Management System (ISO 14001) and Occupational Health and Safety System (OHSAS) in AS "Augstsprieguma tīkls"" commissioned by AS "Augstsprieguma tīkls" and implemented under the contract with PSI "Risks and audits" in the position of project manager and key expert. During the establishment of all systems, Andris Maurāns advised the company on issues of system development and operation, as well as managed the process of preparing system documentation. As part of this process management system manuals, system procedures and process descriptions were developed.

SIA "Estonian, Latvian & Lithuanian Environment" (Registration number 40003374818, legal address Riga, Vīlandes iela 3 - 6, LV-1010) on December 11, 2017 has purchased 100% of the capital shares of PSI "Risks and audits" SIA (Registration number 40003341376, legal address Riga, Jūrkalnes iela 6, LV-1046), and took over the existing obligations of PSI "Risks un audits" SIA. Based on the decision of the sole member SIA "Estonian, Latvian & Lithuanian Environment", on November 22, 2018 PSI "Risks and audits" SIA was liquidated.

Accordingly, along with the assumption of obligations, all experience related to the projects implemented by PSI "Risks and audits" SIA is considered the experience of SIA "Estonian, Latvian & Lithuanian Environment".
