## Kamko Fleece jacket

Product No. 1301001

Recommended retail price 279,95EUR

Colour: Brown

Size: S M L XL XXL 3XL 4XL 5XL

Kamko Fleece Jacket has a GORE-TEX INFINIUM™ WINDSTOPPER membrane, making it fully windproof. The fleece jacket therefore works equally well as a warm midlayer in a colder weather and as a outer layer on its own on warmer weather or when you are hot from exertion.

### Description

The Kamko Fleece jacket is made from soft microfleece. The jacket has a GORE-TEX INFINIUM™ WINDSTOPPER membrane, which is fully windproof, with air permeability of 1.0 cfm (<math>< 51/m2/s</math>) or less. The fabric is also DWR (Durable Water Repellent) treated to give the jacket a dirt- and water-repellent surface. The Kamko Fleece Jacket has two large, slanted zippered pockets on the front and zippered radio pockets on both sides of the chest. It also has a zippered pocket on the upper left sleeve. The jacket also has a high collar, YKK zip and stretch cuffs with thumbholes. The lower hem is adjustable.

- Double radio zip pockets
- Reversible
- Side zip pockets
- Stretch cuff with thumb holes
- Adjustable bottom hem
- Anti-peeling
