

Linen inspection & folding table

Table for inspection and folding of linen. The tabletop is made of a high-pressure (HP) core material in a soft white color and is equipped with a LED illuminated inspection surface. The generous size of the table allows comfortable work with large dressing sheets. Work can be carried out comfortably either standing or sitting. The frame is made of polished stainless steel. 100-240 V / 50/60 Hz.

Art. no.	Inspection panel	Size (LxWxH), mm

Inspection lamp

High quality magnifying lamps, suitable for inspecting delicate instruments. The fully adjustable arm enables the user to adjust the magnifying lens to any preferred angle. Delivered with a clamp for affixing to the table. A cover is included for the magnifying lens to protect from dust and to prevent it from inadvertently acting as a burning glass. Two models are available:

Magnifying lamp, Deluxe flicker-free for longer work with optimal comfort. 190 mm viewing field with standard +3-diopter glass lens that magnifies 1.75 times. 2x13 W energy-saving tubes. Two independent switches allow even light or can create shadows.

Magnifying lamp, Standard has a circular 22 W energy-saving lamp that surrounds the magnifying lens. This provides effective lighting without annoying heat. The viewing field is 127 mm

Inspection lamp with EUR plug	Inspection lamp with UK 3-pin plug	Description	Voltage
561952701	561952702	Magnifying lamp, Deluxe	220-240 V / 50-60 Hz
561952601	561952602	Magnifying lamp, Standard	220-240 V / 50-60 Hz

Adjustable chair

Ergonomical chairs, available in Standard and Special models. The seat and backrest of the Standard model are upholstered with black, easy-to-clean vinyl. The Special model is upholstered with an easy-to-clean fabric that "breathes". On both models, the backrest and seat are adjustable in height and depth. The adjustment controls are located on the right-hand side of the seat. A footrest made of durable black polyamide is mounted on the gas-filled stem. Other surfaces are coated with non-porous black lacquer that provides good chemical resistance and hardness.

The chair is delivered with castors for hard floors.
