

ORION DIAGNOSTICA IS AIDIAN**Information letter regarding the company name change**

Aidian, former Orion Diagnostica, is a Finnish based IVD company that has almost 50 years of experience in developing and manufacturing reliable, fast and easy to use diagnostic tests especially for primary care. Aidian's global footprint covers over 60 countries. Our QuikRead go® flagship products are used globally with close to 50,000 placed instruments and in 2018, our annual turnover was 53 MEUR.

On the 18th of November 2019 our company name is changed. Orion Diagnostica company starts to use the name Aidian.

Please be informed that your contracting party does not change as this is only a change of company name and the legal entity and the business identification number (FI18552161) shall remain the same.
