

MANUFACTURER'S AUTHORIZATION

Whereas Sysmex Europe GmbH ("Sysmex"), who are established, reputable and authorised representative in Europe, Africa and Middle East (EMEA region), officially announced by the manufacturer Sysmex Corporation, Japan for

Sysmex Haematology-, Coagulation-, and Urine- Analysers with Reagents, Accessories, Software and spare parts (the "Products")

do hereby authorise the company

UAB Roche Lietuva
J.Jasinskio str. 16B, 10th floor
01112 Vilnius, Lithuania

as our distributor in the territory of the Baltic countries

Lithuania, Latvia and Estonia

to represent Sysmex products, to appoint sub-distributors, make proposals for public tenders and to execute after sales service and maintenance on all our instruments.

We hereby grant our warranty following our general conditions of sale for the products delivered, consisting of and limited to:

Free of charge supply of spare parts to the Company as replacement for defective new parts for a period of 14 months after B/L - AWB date.

This declaration is valid until 31. 03. 2016 and may be revoked unilaterally by Sysmex in writing before that date for due cause. Such due cause shall, among others, be the termination or expiration of the distributorship relationship, if any, between Sysmex and the Company.

On behalf of Sysmex Europe GmbH

Date: March 2nd, 2015

Place: 22848 Norderstedt, Germany
