Subject: Offer for Traction Lift

With reference to your query for project **933/17** would like make an offer for the following lifts:

1. **933/17 - LF1 - Traction lift with top machinery room** – with rated load **Q=1350 kg**, speed **V=1 m/s**, **7 stops**, **9 entrances**, 3AT 1300 mm doors, landing doors: **EI60**,
2. **933/17 - LF3 - Traction lift with rated load 1400 kg**, **5 stops**, rated speed **V=1 m/s**, with CMM automatic, **3AT 1300 mm**, fire rated **EI60**,
3. **933/17 - LF4 - Traction lift with rated load 1400 kg**, **2 stops**, **3 entrances**, rated speed **V=1 m/s**, with CMM automatic, **4AC 1300 mm**, fire rated **EI60**,

We would like to draw your attention to the fact, that to start realization of the possible order we need all detail information considering existing shafts. Only having received this data, we would be able to provide the final design of the lifts (e.g. car dimensions) and start the production.
