DakoCytomation

Training Certificate

Awarded to

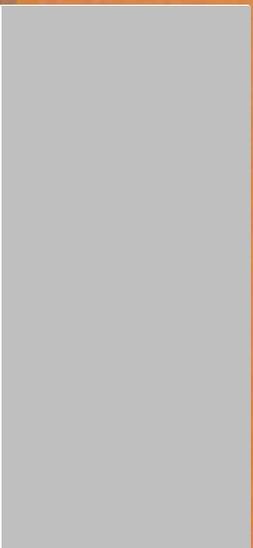

Virginijus Motuzas

Lithauen

For successfully completing the training course

Autostainer Plus Service Training

4-6 October 2005

Certificate of Completion

Learner Name: Virginijus Motuzas

Title Of Course: Dako Omnis Logfile: Analyse Training

Completion Date: February 29, 2024

Certified By Company: Learning at Agilent

All Service and Support training certificates have the following specific limitations.

A certificate for Service and Support training is only valid while employed by Agilent Technologies or while working as an Agilent-authorized service provider, through which the service employee has ongoing access to Agilent's: Safety Alerts, Service Notes, internal technical updates, update training, current documentation, technical support, current parts, and parts updates. Completion of training alone, without being employed by Agilent Technologies, does not qualify an individual to safely install, service or maintain Agilent products.

Certificate of Completion
