The Sales and Buyers Insurance Policy is a Back-Stop for Suntech’s Limited Warranty and protects both the manufacturer and its overseas sales (Buyers) of photovoltaic modules, and which have been registered to be included under this insurance during the Policy Period of January 1 - December 31, 2021. The terms and conditions include:

- Insurance Program insures Suntech’s Limited Warranty, including Product Defect and Performance output
- Significant insurance limit for 25 years, which does not decrease in later years and is non-cancellable (coverage persists even if Suntech becomes insolvent)
- Suntech’s customers, whose panels have been registered with Munich Re, will enjoy an irrevocable and insurance-backed warranty which provides third-party beneficiary status to the insurance in case of insolvency or bankruptcy.
- Deductible does not erode the insurance limit
- PV projects are qualified for additional Munich Re insurance (Top-Up Cover / Option Cover)
- Immediate coverage for Buyers (no waiting period)
