

## Letter of Distribution

October 1, 2019

Raidynas  
J. Savickio str. 4  
Vilnius  
Lithuania

This letter is to certify that in the country(ies) of Lithuania, Latvia, and Estonia, our Rad-Sure™ Blood Irradiation Indicators, Rad-Sure™ UVA Indicators and Dose-Map™ Dosimetry Systems (hereinafter collectively, "Products") are available only through:

Raidynas  
J. Savickio str. 4  
Vilnius  
Lithuania

The Products are manufactured by/for:

Ashland Specialty Ingredients, G.P.  
1005 Route 202/206  
Bridgewater, NJ 08807  
USA

Raidynas is authorized to import and sell the Products in Lithuania, Latvia, and Estonia.

Raidynas is further authorized to participate in local tenders, submit quotations and handle all administrative procedures regarding the sale of the Products in Lithuania, Latvia, and Estonia.

This document is valid until September 30, 2021, unless cancelled earlier by Ashland.

Yours sincerely,

Marike Kloosterman  
Managing Officer
