

To whom it may concern,

AFI Centrifuge, supplier of complete range of centrifuges, based on 3 rue Nicolas Copernic 53 200
Château-Gontier – FRANCE,

Hereby confirm that the centrifuge SIRENA has the rotor recognition which prevents the rotor
from rotating at a speed higher than that specified by the manufacturer.

Best regards,
Claire ROIDOT
EXPORT Manager

4. Centrifuga atpažįsta įdėtą rotorių: įdiegta savybė,
neleidžianti sukti rotoriaus didesniu greičiu, nei numatyta gamintojo.
