Tenak » Racks, cryoboxes and accessories for LN2 freezers » Bloodbag envelope

Bloodbag envelope

This bloodbag envelope in cardboard is made for standard bloodbags. The envelopes are made of lacquered cardboard and are plain white with a text box on one side and a nice arctic picture on the other side. The envelopes are available in two sizes, 500 ml and 750 ml.

Article no.	Unit	Pack size	Size (LxHxT)
TE40110	Pack	50 each	235x135x17 mm
TE40112	Pack	50 each	275x135x17 mm

About us
