## Innovative pH Strip Reader

A pH strip reader that accurately determines the colour of Enteral pH strips and provides a printed record to attach to patient notes.

The safe and easy-to-use analyser removes subjectivity from reading pH, leading to improve patient safety

Compatible with  
ENT-PHX pH strips

# pH Reader

- Removes subjectivity from pH reading
- 100% accuracy at critical values
- Reading is independent of ambient light conditions
- Able to store 200 results
- Printed results
- Portable & easy to use

*Where pH is used, automated pH readers could eliminate inter/ intra-observer error in pH reading.*

## Inlet Medication Port & Clamp

For delivery of medication without disconnecting

# Vent Bag

# Accessories

Bottle adaptor for use with ENFit® syringes available in sizes to fit most medicine bottles. Improves accuracy and reduces waste and risk of contamination

# ENFit® Bottle Adaptor

**Integrated Tethered Cap**  
The bottle adaptor can be left in place until the medicine is finished

Size		100 pcs / box Product Code:
8 – 10mm	Single Packed, Not Sterile:	<b>BAISO0-S</b>
12 – 15mm	Single Packed, Not Sterile:	<b>BAISO1-S</b>
	Bulk Non-Sterile:	<b>BAISO1</b>
14 – 16.5mm	Single Packed, Not Sterile:	<b>BAISO2-S</b>
	Bulk Non-Sterile:	<b>BAISO2</b>
17– 20.5mm	Single Packed, Not Sterile:	<b>BAISO3-S</b>
	Bulk Non-Sterile:	<b>BAISO3</b>
19 – 23mm	Single Packed, Not Sterile:	<b>BAISO35-S</b>
	Bulk Non-Sterile:	<b>BAISO35</b>
24 – 26mm	Single Packed, Not Sterile:	<b>BAISO4-S</b>
	Bulk Non-Sterile:	<b>BAISO4</b>

- Available in a range of sizes to fit the majority of medicine bottles
- Bottle cap can be replaced over adaptor in between uses
- Choice of packaging in bulk or single blisters
- ENFit® compliant

# ENFit® Bottle Adaptor

# Accessories

Stepped oral and enteral bottle adaptor, 16-28mm, male ENFit® connector and oral connector

# Medicine Bottle Adaptor

- A cost-effective solution to last the lifetime of the bottle, once the bottle is empty discard the adaptor
- Polyurethane material moulds tightly to the bottleneck, for an improved fit
- Dual purpose - fits both ENFit® & oral syringes

50 pcs / box

Product Code: **SBAISO**

**Bulk Non Sterile:**

1000 pcs / box

Product Code: **SBAISO-BNS**

**Fits a Wide Range of Bottle Sizes**

Which reduces the need to have different bottle adaptors

**Tethered Caps for Secure Storage**

# Medicine Bottle Adaptor

# Infant Feeding & Breastfeeding Accessories

Intended to attach to a bottle to enable withdrawal of contents via an ENFit® syringe

## ENFit® Bottle Transfer Cap

	50 pcs / box
Product Code:	<b>EMBTC-50</b>

- DEHP & Latex free
- ENFit® compliant
- Tethered lid to protect contents, and for safe storage
- Air circulation feature, to avoid leakage of precious contents

### Closed system

A closed system to efficiently draw out the contents of the bottle using an ENFit® syringe

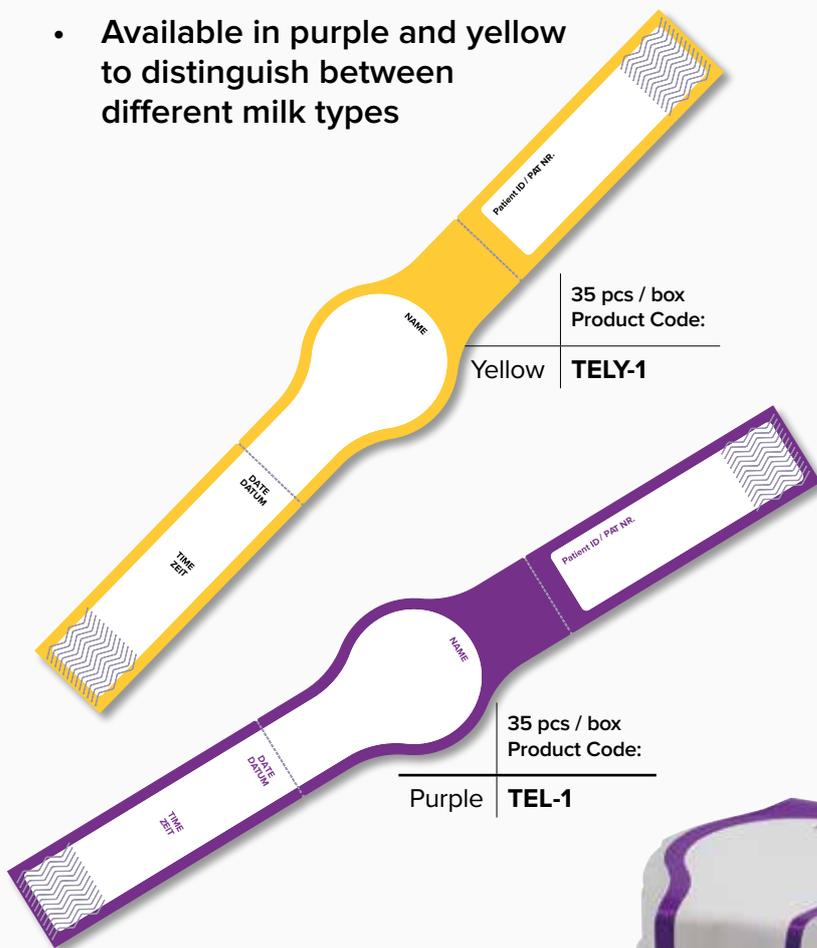

### Tamper Evident Label

Can be used with the Tamper Evident Label to ensure bottle contents are correctly identified

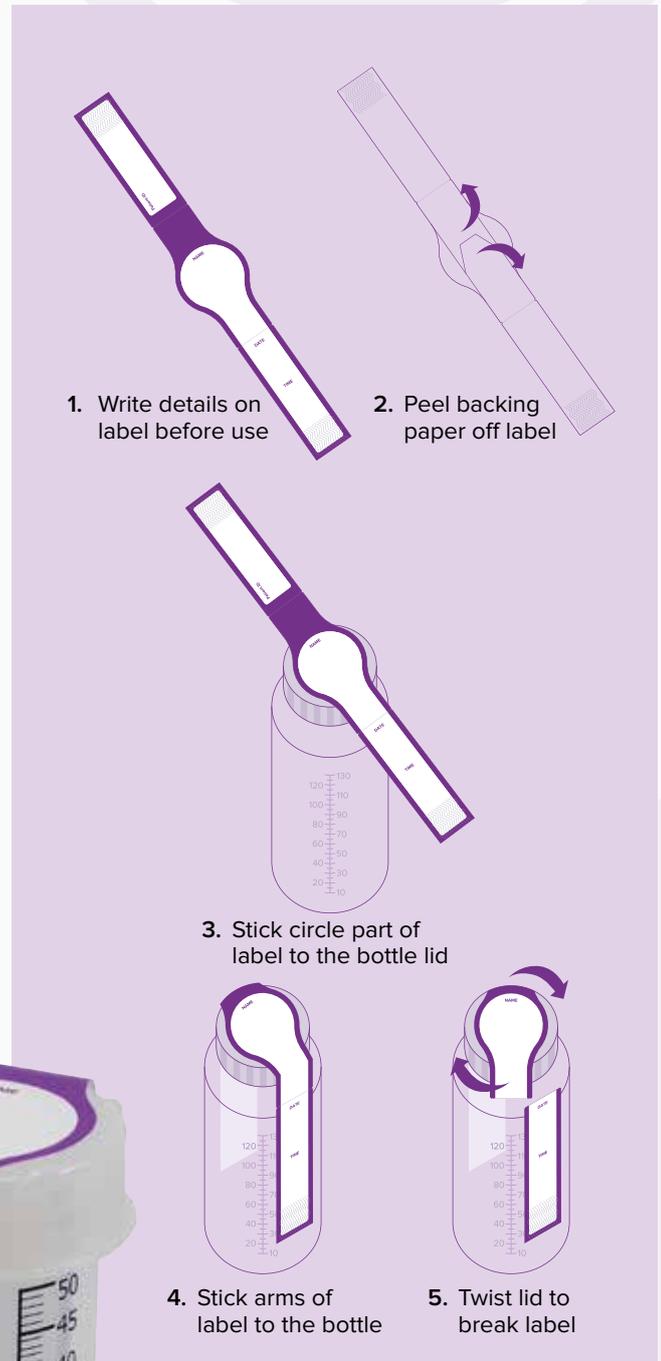

# Infant Feeding & Breastfeeding Accessories

- Anti-tamper scored edges that fray when peeled, meaning the label is unable to be removed from the bottle without clear signs of tampering
- The label also contains space to document patient and milk information
- Available in purple and yellow to distinguish between different milk types

## Tamper Evident Labels

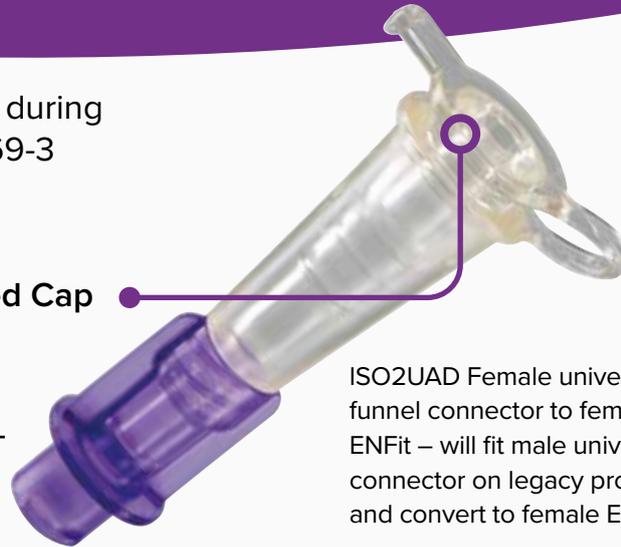

# Accessories

Intended to enable connections during the transition to ENFit® ISO80369-3

Tethered Cap

	30 pcs / box
Product Code:	<b>ISO2UAD</b>

ISO2UAD Female universal funnel connector to female ENFit – will fit male universal connector on legacy products and convert to female ENFit

# Transition Adaptors

- ENFit® compatible
- Latex free

	100 pcs / box
Product Code:	<b>UAD2ISO</b>

UAD2ISO Male universal funnel connector to Male ENFit – will fit female universal connector on legacy products and convert to male ENFit

# Transition Adaptors

# Adaptors

Double male ENFit® connector (ISO 80369-3), converts any ENFit® single port feeding tube to Y-Port, sterile

# Y-Port Adaptor

- Converts any ENFit® single port feeding tube to Y-port
- Double male ENFit® connectors with caps
- ENFit® compliant

20 pcs / box

Product Code: **YPA-ISO**

○ Colour Coded Purple  
for Enteral Feeding

# Y-Port Adaptor

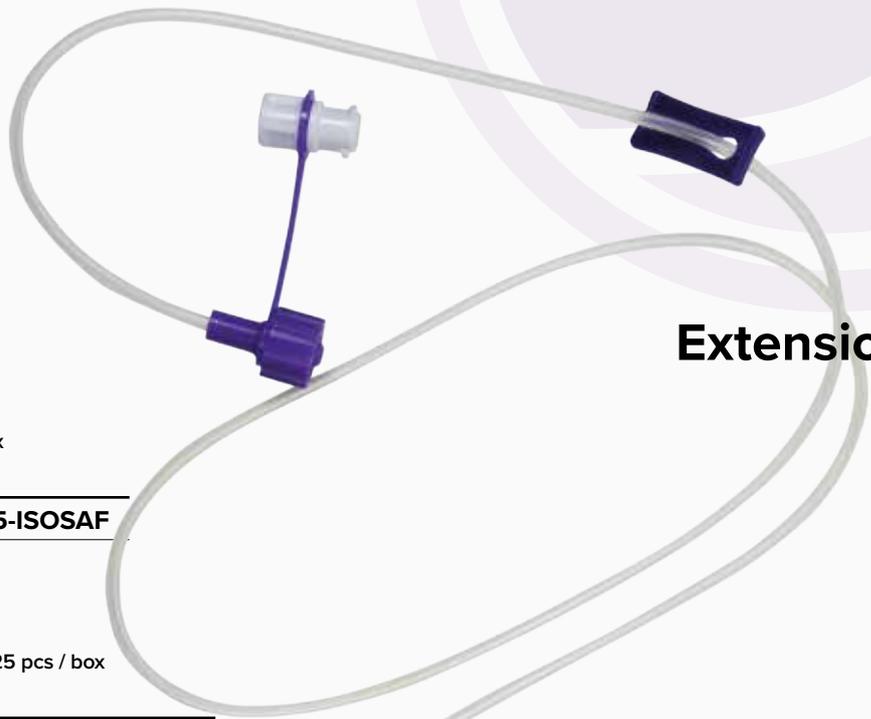

# Accessories

Intended to extend Enteral feeding tubes or for use with Syringe drivers. Male & female ENFit® connectors (ISO 80369-3)

# Enteral Extension Sets

- Bifurcated versions have priming volumes of less than 2ml
- ENFit® compliant for patient safety
- Slide clamp for one-handed use
- Latex free and DEHP free
- Choice of lengths

## Extension Set

	100 pcs / box
Product Code:	<b>ECISO-10</b>

Male Caps

# Enteral Caps

Female Caps

Female ENFit connector  
(ISO 80369-3) 50mm-150mm

- Female ENFit cap for securing Male ENFit connectors such as feeding tubes whilst not in use
- Available in non-sterile packs of 10 (15 packs of 10) or in packs of 200 (1 pack of 200)

	150 pcs / box
Product Code:	<b>FCISO-10</b>

**Bulk Non-Sterile**

	200 pcs / box
Product Code:	<b>FCISO-NS</b>

# Enteral Caps

# Accessories

Used to draw up and filter medication into an ENFit® syringe via a glass ampoule

## ENFit® Connection

Allowing ENFit® syringe users to draw up oral/enteral medications from manufacturers' vials, ampoules, & other containers

# Filter Needle

- Ergonomic ridges on connector to allow easy connection/disconnection
- Commonly used with oral/enteral medication
- 38mm & 50mm long for easy use with most vials
- 5µm filter for filling from glass ampoules

## 18 Gauge Stainless Steel Needle

With an angled tip allows for easy penetration through a vial's rubber membrane

Assembled With  
A Protective Sheath

Size:	30 pcs / box Product Code:
18G x 38mm x 5µm	<b>FNISO-38</b>
18G x 50mm x 5µm	<b>FNISO-50</b>

# Filter Needle

# Accessories

Male ENFit® connector (ISO 80369-3)  
50mm-150mm

150mm

30 pcs / box

Product Code:

**MSISO-150P**

# Medicine Straw

100mm

30 pcs / box

Product Code:

**MSISO-100P**

## Long Straws

Avoid inverting larger  
medicine bottles

- Available in various lengths
- Minimises medicine waste
- Improves dose accuracy
- Purple ENFit® connector
- DEHP and Latex free

## Ergonomic Ridges

On connector to allow  
easy connection/  
disconnection

50mm

30 pcs / box

Product Code:

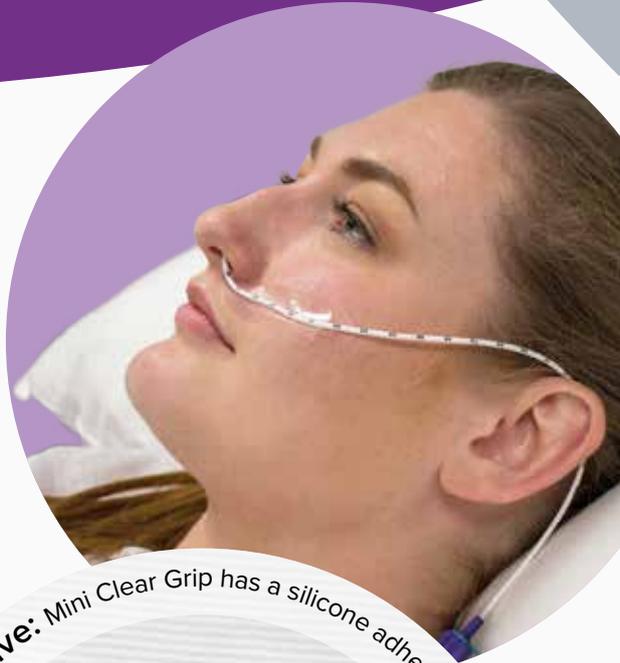

**MSISO-50P**

# Medicine Straw

# Accessories

Unique skin fixation systems to suit all tube fixation needs

# Fixation Devices

## Clear Grip

30 pcs / box

Product Code: **CG-30**

## Mini Clear Grip

50 pcs / box

Product Code: **MCG-50**

## CareTip Grip

Product Code:

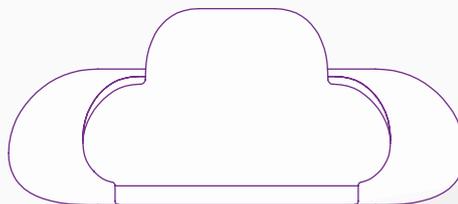

25 Pairs: **CTG-50-NS**

100 in Dispenser: **CTG-100-NS**

- Ergonomic design ensures a comfortable fit, close to nostril to minimise tube pull outs
- Secures tubing between 2 layers of material, away from the patient's skin
- Clear material allows observation of skin

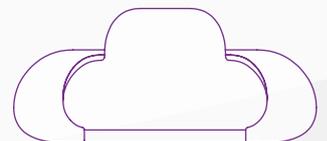

# Fixation Devices

Clear Grip:

60 x 26mm

Mini Clear Grip:

40 x 18mm

# Accessories

For keeping ENFit® connectors  
& caps free of debris.

# Enteral Connector Brush

## Features & Benefits

- ENFit connectors have larger and deeper grooves, meaning increased area for debris to collect and potentially cause connection issues
- Using a brush after every use helps to prevent the accumulation of debris, and the feeding tube cap from adhering to the connector
- Keeping the connector and cap free of debris can help to extend the lifespan of the tube
