### KEBA customized FS-09 module types for Lithuania Post

KEBA can provide, on request of Lithuania Post, customized FS-09 module types.

KEBA standard FS-09 module types:

Basic conditions for creating customized FS-09 module types:

- Possible sizes of box height:  
The height is variable by a modular grid of 95 mm = 1 height unit (U)  
Module height: 19 U
- Resulting heights are: 1U: 85 mm, 2U: 180 mm and so on.
- Minimal size of upper box: 4U or 370 mm
- Minimal size of lowest box: 2U or 180 mm
- If larger boxes than M are near bottom Lock Secure has to be used!
