Occlutech® Sizing Balloon Changing the Dimension

Occlutech® Sizing Balloon

Changing the Dimension

The Occlutech Sizing Balloon is intended for venous access. It is used without a guide catheter and is introduced directly via the guide wire.

Designations:

- (1) Usable length
- (2) X-ray markers
- (3) Soft tip
- (4) Inflation port

X-ray markers:
5 mm measured from left edge to left edge
