TO WHOM IT MAY CONCERN

AGILENT TECHNOLOGIES INTERNATIONAL Sàrl., EPFL Innovation Park, Building F - 2nd floor, CH-1015 Lausanne, Switzerland (herein referred to as "Agilent") belongs to Agilent Technologies Group of companies with ultimate parent company, Agilent Technologies Inc., the latter being a corporation formed and governed under the laws of the United States of America. Agilent Technologies Inc. is a well-established, reputable, and leading manufacturer of scientific and analytical instruments and associated consumables.

Hereby, Agilent confirms that:

Altium International s.r.o
Na Jetelce 69/2, 192 00 Praha 9, Czech Republic

(herein "Altium")

is presently an Agilent authorized reseller in Czech Republic (herein "Territory") for the sales of Agilent's products listed below:

- Agilent Flow Cytometry reagent product lines – XA - NovoCyte, XF - Seahorse
- Agilent Pathology Product Line – PT - Pathology, RP – Reagent Partnership
- Agilent Genomics product lines –
- GE - Genomics
- GS - Genomics Systems
- SR - Bio Reagents
- UF - Microfluidics

and related parts, as per the terms of the International Designated Reseller Program Agreements No. XP4DM and X47AQ effective as of January 1st, 2025 and valid until December 31st 2027 unless earlier terminated, signed with Agilent (the "Agreement").

At present, Altium International s.r.o is a sole reseller of Agilent for above mentioned products in the Territory, although as a non-exclusive reseller, there is nothing, whether from a contractual or legal standpoint, preventing Agilent from appointing new resellers in the Territory.

Therefore, we confirm that Altium International s.r.o can submit a bid, and subsequently negotiate and sign a contract on its own costs, name and behalf, as an

Agilent Technologies International Sàrl

independent contractor, subject exclusively to the terms of this contract XP4DM and X47AQ for the sale of the above products manufactured by Agilent Technologies Inc.

We also confirm that Altium International s.r.o can commit to perform the maintenance services of Agilent Technologies equipment offered to you.

In case of termination or non-renewal of the Agreement, Agilent or its newly appointed reseller will be able to provide spare parts coverage, maintenance, and other support services, if currently available from Agilent and under terms and conditions to be agreed upon with you, and always subject to the U.S. Administration Regulations provisions.

Altium International s.r.o is not an agent or representative of Agilent and acts as an independent contractor as per the Agreement.
