Certificate No.:	2023-CS-LTU-014

To whom it may concern

This certificate is to confirm that our **LymphoPrime 2, Complete Karyotyping Medium for Peripheral Blood Lymphocytes**, is a newly designed and optimized formulation. The proprietary formulation contains basal medium (RPMI) supplemented with L-glutamine, pre-tested fetal bovine serum (FBS), antibiotics, phytohemagglutinin-M (PHA-M) and optimized concentration of growth-promoting factors.

LymphoPrime 2 can be used as an excellent alternative to products like BIO-PB™ Karyotyping Medium (BIO-PB™ is a registered trademark of the Sartorius Group).
