("Company")

Preamble

Canon, as an affiliate company Canon Europa N.V., itself a subsidiary of Canon Inc. of Japan, markets and distributes End-User imaging products within Europe, the Middle East and Africa.

Company has a current business relationship with Canon for the purchase and resale of Canon End-User and professional imaging products under Canon's standard terms and conditions of sale and other commercial terms agreed locally and annually (collectively referred to herein as the "Commercial Terms").

Canon wishes to ensure that its high-end, technically complex, luxury consumer and professional products are resold to end-users only by resellers with specific expertise,
