CE DECLARATION OF CONFORMITY

We,

MACROMEDICS BV
Kouwe Hoek 18
2741 PX Waddinxveen
The Netherlands

declare under our sole responsibility that our medical devices:

MACROMEDICS Patient Positioning and Immobilization Systems*

are in conformity with the applicable provisions of the European Medical Device Directive 93/42/EEC.

These devices are Class 1 medical devices, non-sterile and without a measuring function, according to the Medical Device Directive 93/42/EEC, therefore the CE-mark has no number and no Notified Body is involved.

If any of these devices are modified without the agreement of the undersigned, or not used conform the instructions for use, this declaration becomes invalid.
