

Disposable Needle Guides and Disposable Biopsy Kits

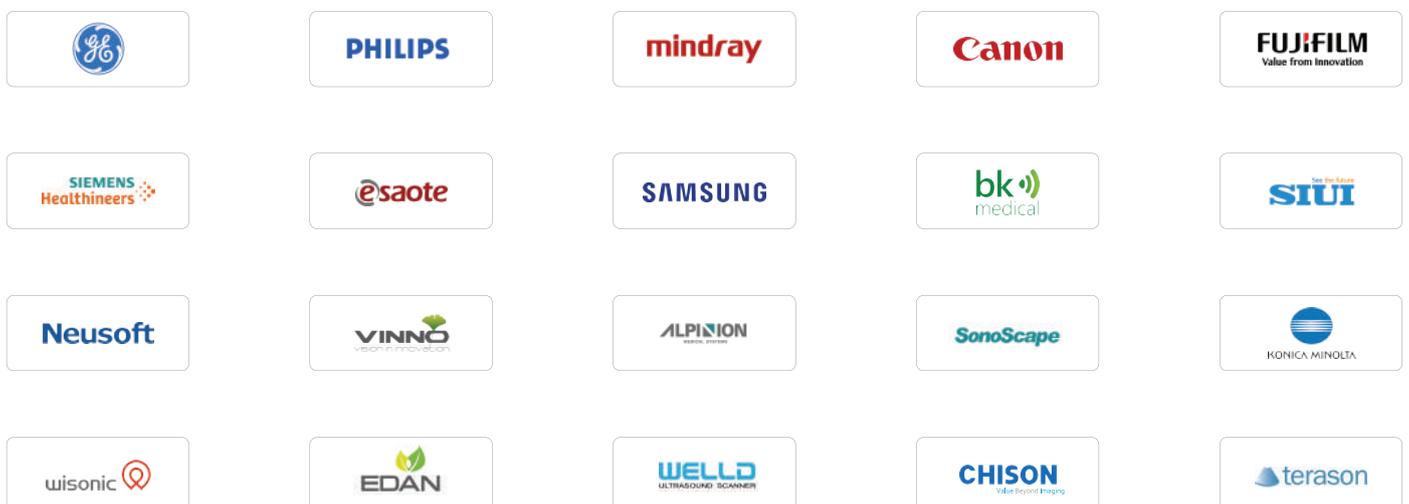

About us

As a China national high tech enterprise, InnoFine are dedicated to R&D, manufacturing and selling ultrasound interventional products and consumables medical products since its establishment in 2013, providing safe and reliable, cost-effective products and overall solutions for thousands of hospitals in more than 100 countries around the world, products covering Ultrasound Needle Guides, Probe Cover, Gel and Biopsy Needle etc.

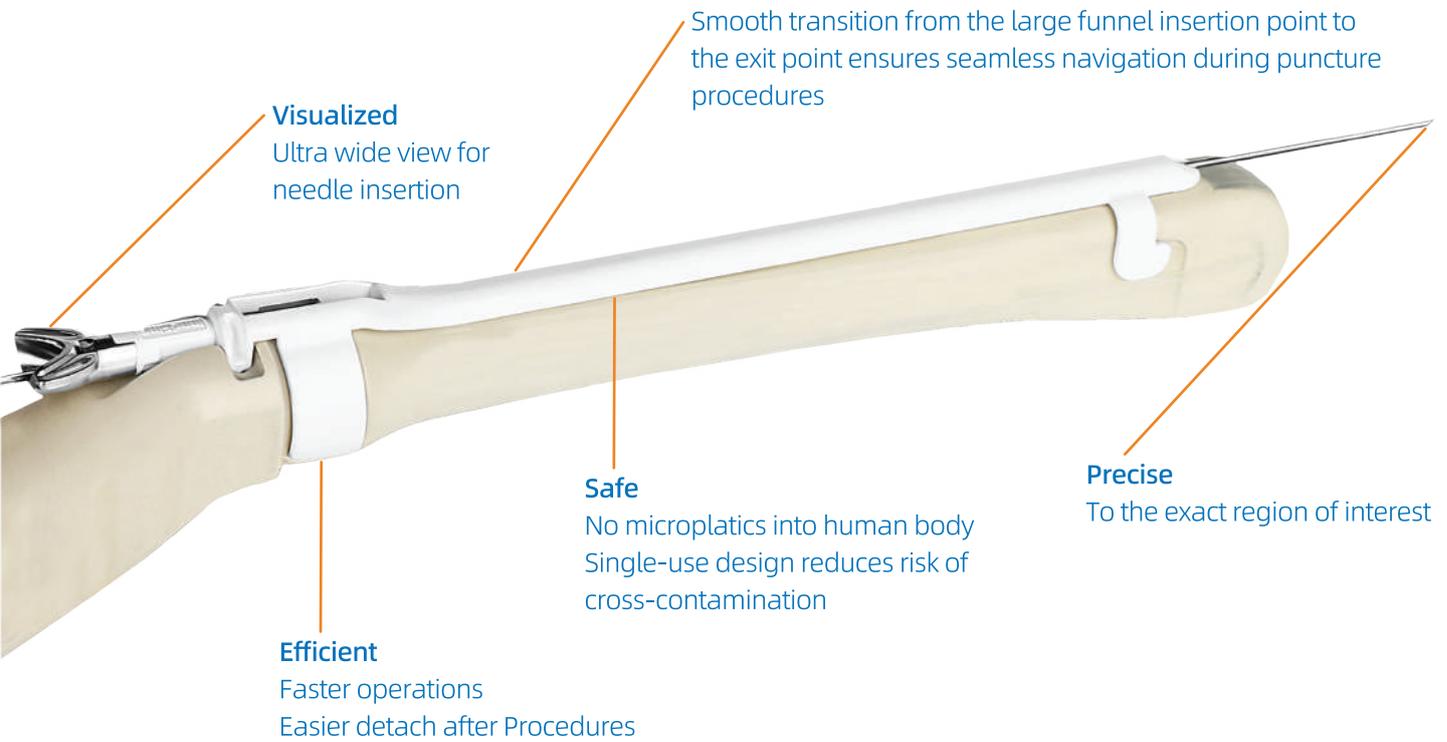

InnoFine will continue to adhere to the spirit of "Be innovative and forge ahead. Strive for excellence and perfection, Customer oriented", making unremitting efforts to promote the development of global interventional ultrasound field.

Cooperation Ultrasound Brand(Part)

1. Disposable Endocavity Needle Guides

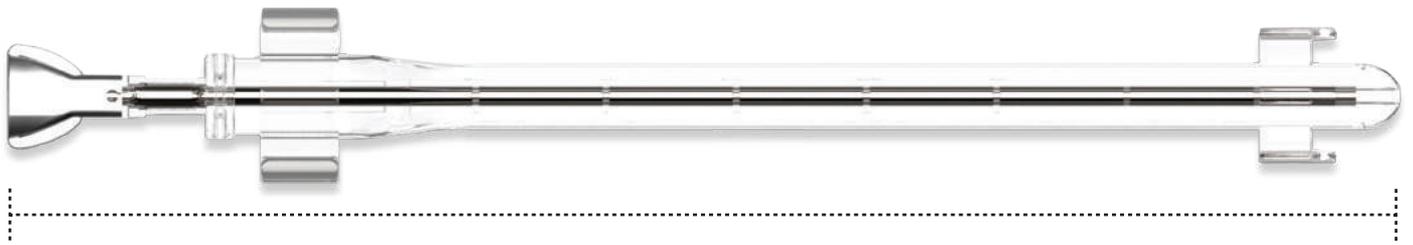

- Sterile Gel , rubber bands
- Latex / Latex-Free / Latex-Free TPU Probe Covers for your options

Redefine

- Ovum Pick-up
- Transrectal Prostate Biopsy

Innovative design

Pure metal tract

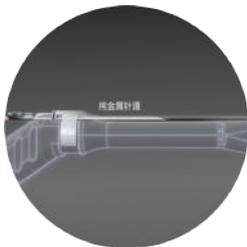

Visualized

- Ultra wide view for needle insertion

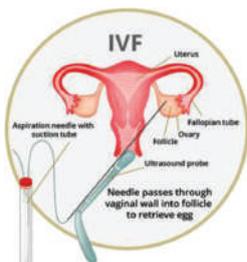

Efficient

- Faster operations
- Easier detach after procedures

Safe

- No microplastics into human body
- Single-use design reduces risk of cross-contamination

Precise

- To the exact region of interest

2. General Purpose Needle Guides

Disposable General Purpose Needle Guides (In-Plane)

Larger tab for improved quick-release function, allowing easy detachment of the needle from the transducer

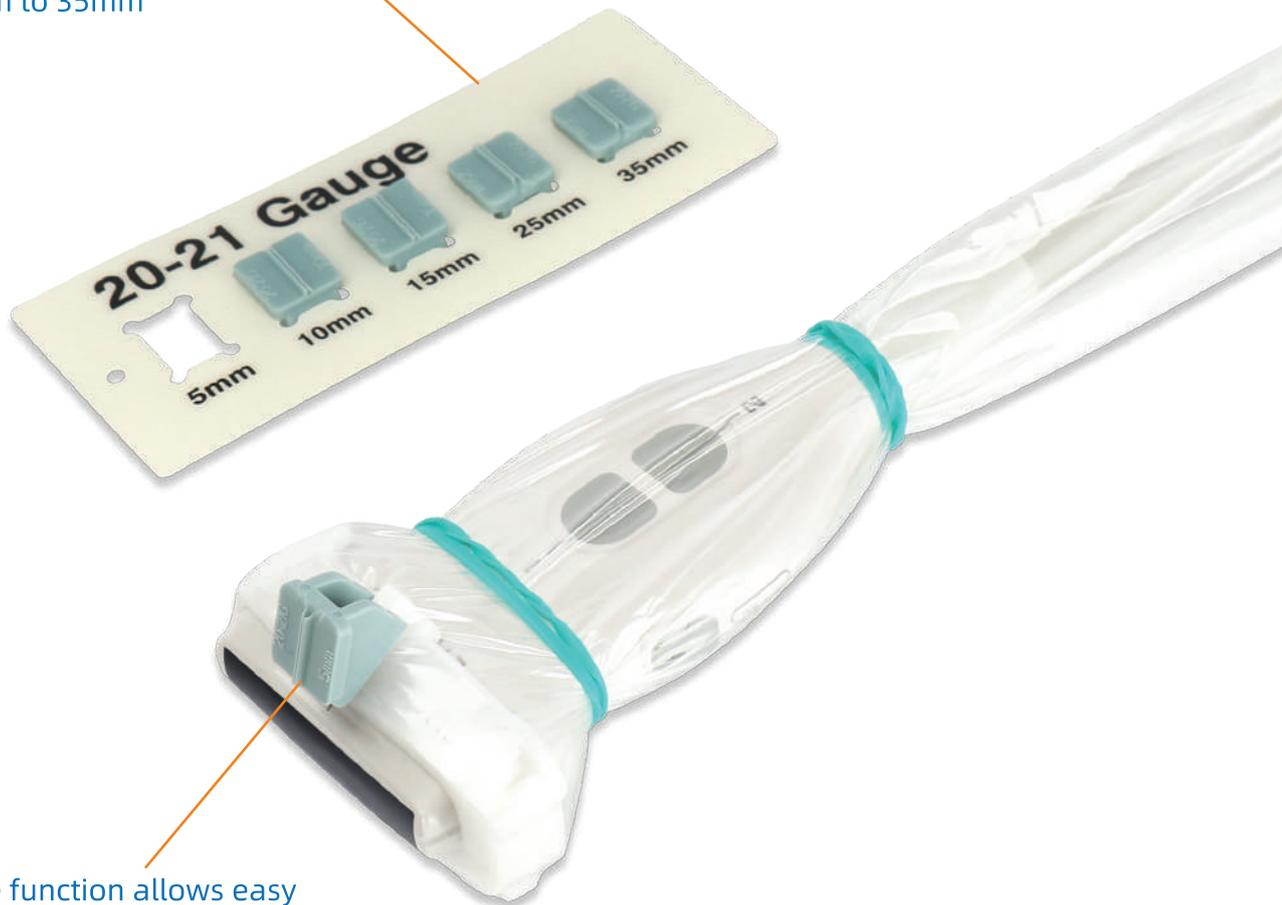

Application

- Liver biopsy
- Kidney biopsy
- Tumor ablation
- Aspiration and drainage of cyst, abscess, effusions
- Thyroid, breast, and lymph nodes biopsy
- Anesthesia

Disposable General Purpose Needle Guides (Out-of Plane)

For different sizes of interventional instruments, (20G or 21G) with varying depth from 5mm to 35mm

Quick-release function allows easy detachment of the needle from the transducer

Application

- Nerve blocks
- Vascular access

Features

- Excellent success rate of $\geq 97\%$, even among first time operators
- Proven to easily assist in successful catheterization of obese patients

3. Disposable Needle Guides Kit

- In-Plane needle guide

Disposable Needle Guides

- Simple pressing, quick release
- Improve efficiency and avoid cross-infection
- For different sizes of interventional instruments, 10-23G/6-10F

- Out-of-Plane needle guide

Disposable Needle Guides

- Simple pressing, quick release
- Improve efficiency and avoid cross-infection
- Support 20-21G, suitable for puncture depth 5/10/15/25/35mm

Sterile Gel

Ultrasound Probe Cover
